HORRORS! Taking advantage of a lull in the Arctic temperatures, a group called the Aqua-Ventures is shown cavorting in Lake Michigan at Chicago. They spent about an hour chopping through the ice to make room for diving with their aqua-lungs.

Council Overrides Vetoes On Vacation and Uniform Fund for Police, Firemen

LOOK AGAIN! RUSSIA, BRITAIN, U.S. VOTE SAME WAY. During a session marked by bitter debate over Formosa between the United States and Russia, one vote found the three top rivals in the United Nations Security Council voting the same way, but not exactly in harmony. Hands raised to vote in favor of a motion to maintain on the agenda a Soviet charge that the U.S. is the aggressor in the Formosa Straits are (from left) Arkady Sobolev of the U.S.S. R., Sir Pierson Dixon of Britain and Henry Cabot Lodge Jr. of the U.S.

Pay Increases Discussed for All Employes

Mayor Sought To Void Legislation in Favor of Across the Board Hike

Working before an overflow crowd, Marion City Council Monday night overrode vetoes of Mayor Harold F. Robinson and granted uniform allowances and other fringe benefits to city police and firemen.

One of the two ordinances involved was passed unanimously over his veto and the other was passed by a 6-2 vote, the minimum margin for overriding.

Pay Increases Discussed

Later a request of city Service and Sanitation Department employes for a 25-cent-an-hour pay raise and other fringe benefits was discussed briefly with two committees reporting they had not yet completed studies of the request.

Many policemen, firemen and Service and Sanitation Department employes attended the meeting, necessitating a move from the regular Council meeting place in the Municipal Courtroom to a larger room in the Eagles Hall above it.

The two ordinances pushed through despite Mayor Robinson's vetoes were:

1. An ordinance providing that for the first year of their employment, city police and firemen will receive a $200 uniform allowance and for the second and subsequent years will receive a $100-a-year uniform allowance. It also provides that plain clothes policemen may use their allowance to purchase civilian clothing.

2. An ordinance providing that police and firemen be granted three weeks' paid vacation after 15 years' service and six paid holidays a year. It also contains a section retaining the present two weeks' paid vacation for service of 1-15 years.

Councilman Haldeman estimated at the Jan. 11 meeting that the uniform allowance and fringe benefits for police and firemen would mean an increase of some $8,000 a year in cost of operating the two departments. At this same meeting he also said the mayor's plan for an across-the-board pay hike for all city employes would cost $25,000 more a year from the General Fund.

Two Oppose Overriding

In the voting to override the mayor's veto, the uniform allowance ordinance just received the minimum number of six votes necessary for adoption. Voting against overriding were: Herman Rinehart, Third Ward, and James Jenkins, Second Ward. Voting for it were: Harold Smith, First Ward; Ralph Williams, Fourth Ward; Don Quaintance, Fifth Ward; Harold Fralich, Sixth Ward; Richard Lister, at-large; and R. G. Haldeman, at-large. Councilman - at - large Warren Diehl was absent from the meeting.

The voting to override the veto

Marion School Board Okays Record Budget of $1,818,535

Total Higher Than Last Year by $203,000

The largest budget in the history of the Marion City School District was approved at the monthly meeting of the Board of Education Monday afternoon.

The new budget calls for expenditures of $1,818,535.93 with income expected to amount to $1,861,637.70, leaving an anticipated balance at the end of the current year of $43,101.77.

—:—

LAST YEAR'S budget called for expenditure of $1,615,390, some $203,000 less than this year's.

Robert S. Brown, school superintendent, said the main increase in expenditures was due to pay increases granted teachers after a four-mill levy was approved by the voters last year. In addition, there were extra personnel hired because of the increase in the number of pupils.

The levy, plus the increase in pupils, account for the gain in income. The average daily membership in class is used by the state in determining state aid to schools and the larger the enrollment, the more the aid received.

—:—

SALARIES of personnel in the school system is the largest single amount in the budget—$1,223,449.93. Brown said other items in the budget, such as school maintenance, supplies and other miscellaneous classes remained about equal to last year's amounts.

The amount for salaries is $269,449 higher this year because of the pay increases granted last month.

At its meeting yesterday the board granted raises of five dollars a month to each of the seven head cooks in the city schools to compensate them for the extra time and work they have put in with the ending of the supervisor system in school lunchrooms.

Salaries for head cooks now range from $138.50 a month to

Ohio Assembly Hit With Late Flood of Bills

Lawmakers Read 435 Pieces of Legislation Before Final Deadline

COLUMBUS, Ohio (AP) — Ohio's 101st General Assembly stands today as a record breaking group, even before it begins serious consideration of proposals that may become law.

Last night, within a period of three hours, Ohio's 169 legislators introduced 435 bills for an all-time single-day record.

It was the deadline for the introduction of proposed laws in the General Assembly. The 435 bills brought the session total to 1,339, a modern-day record for a session.

The last-day bills ran the gamut as lawmakers made the last frantic effort to get on record with the proposals they believe "the folks back home" want. There may have been some things they don't want.

One legislator even proposed sale of the state capitol—including its pigeons and squirrels—to make way for a giant parking facility in the heart of Columbus. The legislator, Rep. Virgil Perrill (R-Fayette), admitted he was piqued by an earlier proposal for construc-

BLE Seeking 22.5 Per Cent Wage Increase

CLEVELAND (AP)—The nation's major railroads were served notices today the 80,000 - member Brotherhood of Locomotive Engineers wants wage increases of 22½ per cent.

With these formal notices, the independent union began a drive which it expects to carry through in national negotiations.

As head of the national negotiating team, Roy E. Davidson was appointed by Guy L. Brown, grand chief engineer. Davidson is a first assistant grand chief engineer in the union's headquarters here.

Last year the union's wage demands were submitted to arbitration and a board granted mem-

Pipeline Explodes

SEOUL (AP)—The U.S. 8th Army's fuel pipeline exploded today in a mighty blast that killed three Korean children and seriously injured two other children, an American soldier and four Korean soldiers.

Another American soldier suffered minor burns and an Army truck and three houses were destroyed in the fire that followed.

GOP Abandons Plans for Late 1956 Meetings

Rulings in Some States Prevent Approval of September Convention

WASHINGTON (AP) — Republicans have abandoned plans for a September presidential nominating convention in 1956 but National Chairman Leonard W. Hall indicated today he hopes state election laws can be changed to permit an August meeting.

Hall told newsmen practical difficulties, such as certification requirements in certain states, stand in the way of a September meeting, first suggested as a means of shortening the presidential campaign.

Democrats Set July 23

Democrats announced yesterday, in advance of a GOP convention site subcommittee meeting here tomorrow, they will open their convention in Chicago's International Amphitheater July 23 unless changes are made in state laws before then.

Democratic National Chairman Paul M. Butler said that if these changes were made, the convention would be moved back to Aug. 13.

The amphitheater, in the Chicago stockyards, was the scene of both GOP and Democratic 1952 conventions.

Counting on Eisenhower

Hall indicated that if efforts to amend the Massachusetts, Connecticut and South Dakota election laws are carried forward, the Republicans would like to hold their convention as late as possible.

Hall, who conferred with President Eisenhower yesterday about the convention time and place, has made it clear he expects Eisenhower to be the GOP nominee again. He was backed strongly in this viewpoint by Sen. H. Alexander Smith (R-NJ), who said, "it seems perfectly obvious to me that Eisenhower should and will be a candidate again."

Marion County Tax Collection Begins Today

Collection of personal property taxes begins in Marion County today.

Maurice C. Clements, county auditor, said tax forms were mailed to about 4,000 persons in the county during the last few weeks.

They must be filed with the treasurer's office in the courthouse between now and March 31 with a remittance equalling at least one-half of the tax due.

The taxes are based on the same rates as in effect for real estate taxes, varying with each governmental district in the county.

Two main categories make up the personal taxes—intangibles and tangibles.

Included in the intangible classification are investment securities. Tangible property included equipment, tools, machinery, implements, furnitures, and fixtures in use Jan. 1 by farmers, manufacturers, wholesalers, retailers, and business and professional people in every line.

Also included in the tangible category are inventories of livestock, products and merchandise on hand Jan. 1.

Failure to file the tax returns by the March 31 deadline will result in a penalty being assessed tardy taxpayers, Clements said.

Dulles Asked To State His Island Policy

Sen. Humphrey Calls For Clarification of Quemoy-Matsu Issue

WASHINGTON (AP)—Sen. Humphrey (D-Minn) said today Chiang Kai-shek's broad hint that he expects the United States to help defend Quemoy and the Matsus makes it essential that the Eisenhower administration state its policy clearly.

Humphrey disclosed in an interview that he had written to Secretary of State Dulles last week asking for a public statement of the "precise position and policy" of the administration toward these islands just off the Red China coast.

Asks Position Cleared

Now, Humphrey said, Chiang's comment at a Taipei news conference yesterday "makes it all the more essential that Mr. Dulles put the record absolutely straight."

Chiang said "in no case" would Quemoy and the Matsus be abandoned, and made it plain he expects U.S. forces to help defend them.

The administration has declined to make a public commitment, although reportedly willing to help with defense of the islands if there should be an attack as conditions stand now. President Eisenhower has said he will reserve to himself any final decision.

Some concern has been expressed that the Red Chinese may attempt a probing action, unwilling to take at face value a defend-Formosa resolution approved by Congress and a mutual defense treaty with Chiang's Nationalist government.

Formosa Attack

One analyst who asked that his name not be used said yesterday there can be no stability in the area unless Peiping abandons its announced intention to capture Formosa, seat of Chiang's government. And any all-out attack on Quemoy and the Matsus, he said, could be regarded as preliminary to an assault on Formosa and the nearby Pescadores.

Sen. Morse (Ind-Ore), in a statement yesterday, urged Dulles or Eisenhower to say whether "any commitment, assurance or pledge" has been given to help defend the offshore islands.

Humphrey said that "of course" it might be necessary for U. S. air power to be used against a possible Communist attack on Quemoy, lying in the mouth of Amoy harbor, or the Matsu Islands, just off the port of Foochow.

"We certainly would not want to wait until the Communists had landed on the beaches of Formosa," he said.

Wind Wrong, Atomic Test Off

Nevada Nuclear Blast Delayed for 24 Hours

LAS VEGAS, Nev. (AP)—The first explosion of the 1955 atomic test series, which had been set for early today, was postponed for 24 hours by the Atomic Energy Commission.

The AEC cited unfavorable weather conditions.

At a 12:50 a.m. weather conference, the AEC decided that winds would carry the atomic cloud from any shot today toward the Caliente-Panaca-Pioche area in east central Nevada and might pose a radiation threat to that district.

The AEC and Department of Defense test officials will meet later today to decide whether to set off the shot before dawn tomorrow.

Lodge Defends Foreign Policy Of Eisenhower

U.N. Ambassador Says Plan Helps Strengthen Chance of World Peace

PHILADELPHIA (AP) — Henry Cabot Lodge Jr., U.S. ambassador to the United Nations, says the foreign policy of the Eisenhower administration is enabling the free world to "settle down confidently to the long haul" toward strengthening world peace.

Speaking last night at a Lincoln Day dinner sponsored by the Pennsylvania Republican Committee, Lodge said one of the foremost ingredients of that foreign policy is President Eisenhower's "fight for Formosa" declaration.

"Communist China has been put on notice by the President, with the backing of Congress, that we will not tolerate aggression against Formosa and the Pescadores," Lodge said. "This courageous and timely move is our best insurance against war in that area."

Lodge made no mention of the islands of Matsu and Quemoy, which figured in a statement by Nationalist China's President Chiang Kai-shek yesterday. Chiang said his forces had no intention of evacuating the islands close to the China mainland, as was done in the case of the Tachens.

In listing the foreign policy ac-

Fight in Swiss Capital

Romanian Rebels Capture Legation

BERN, Switzerland (AP)—A band of Romanian resistance fighters barricaded themselves in Communist Romania's legation buildings here today after a 2 a.m assault which killed the legation chauffeur and drove the entire staff into the street.

They vowed to hold the legation, located in a large park at the western edge of the city, until the Bucharest government frees five persons held as political prisoners.

"We have nothing to lose but our lives," the band's leader called in German to rifle-armed Swiss police who surrounded the legation and sought to persuade the band to surrender.

The legation chauffeur, Aurel Setu, was knifed and struck down by submachinegun fire when he tried to resist the attack. He died in a hospital at noon.

One of the invaders, captured while trying to slip through the police cordon, was carrying a submachinegun and documents stolen from the legation. He told police only that he belonged to the anti-Communist resistance in Romania.

Neighbors said they heard a fusillade of shots and women's screams between 2 and 3 a.m. but the legation chauffeur was the only casualty reported. He was taken to a hospital with serious injuries.

The Red Romanian government demanded formally that the band be arrested and extradited to Bucharest.

The Swiss Cabinet in an emergency meeting at 7:30 a.m. decided the police should first try persuasion rather than force in their effort to get the gang out of the legation.

Riverlake Belt Conveyor Bill Up for Hearing

COLUMBUS, Ohio (AP) — Proponents of a Lake Erie-Ohio River belt conveyor open their third bid for legislative sanction tonight with railroad interests arrayed against them.

Riverlake Belt Conveyor, Inc., needs authority to condemn land for a right of way before it can build a multi-million-dollar line to haul coal and iron ore to northeastern Ohio steel mills.

Steam railroads claim the belt line should not have condemnation authority because it does not propose to haul varied goods in the manner of a public utility. Railroads now are major coal and ore haulers.

The House Commerce and Transportation Committee begins hearings tonight on the much-heralded bill to authorize a "rubber railroad" between Cleveland and East Liverpool. Similar proposals died in the Ohio Senate during the 1949 and 1951 sessions. H. B. Stewart Jr., of Akron, president of Riverlake, made no attempt in the 1953 session. Stewart also is president of the Akron, Canton & Youngstown Railroad.

But other steam railroads in

Church Bingo Game Raided

Three in Columbus Accused of Gambling

COLUMBUS, Ohio (AP) — Sheriff Ralph J. Paul and his deputies raided a bingo game last night and herded a booing crowd of 150 persons from a hall on N. High St.

Authorities said the game was sponsored by Our Lady of Peace Church. Three men were taken into custody on gambling charges. Their attorney, Roland G. Allen, said he wished the matter to be brought to a test case. He said the church operates the game because it feels bingo is legal under the state law but not under the city ordinance. The church is situated just north of the city limits.

The attorney said profits from the game are "used solely for charitable purposes" and the church "feels it has a legal right to operate on that basis."

Sheriff Paul told the bingo players, after they had booed him, that the raid was made on a complaint filed by Sharon Township trustees.

Ike, Nursing Cold, Lightens Schedule

WASHINGTON (AP) — President Eisenhower, nursing a cold which an aide said "certainly isn't serious," quit work a couple hours earlier than usual yesterday and rearranged his schedule for today and tomorrow. A weekly meeting with Republican congressional leaders, normally held on Tuesday, was put off until tomorrow. Plans for a news conference, normally held on Wednesday, were canceled.

Fled To Avoid Testifying

Key Phenix City Murder Trial Witness Due Back

ARCH FERRELL
Accused in Vice Crusader's Murder

BIRMINGHAM, Ala. (AP)—An important state witness, arrested in Florida, was due here today for the A. L. Patterson murder trials. His surprise absence yesterday already had delayed their start 24 hours.

The arrest of James Ray Taylor, 40-year-old Columbus, Ga., cab driver, in Niceville was announced by the FBI. Niceville police officer L. W. Brown said he agreed to waive extradition on a federal charge of unlawful flight to avoid giving testimony.

A state patrol car relay was set up to speed Taylor to Birmingham, where two former Phenix City officials face trial on charges of murdering the rackets-busting Patterson last June.

Special prosecutor Cecil Deason was granted a delay until 9 a.m. today when he was unable to pro-

(Turn to TRIAL, Page 12)

Declares Islands Can Be Held

7th Fleet Won't Stop Red Aggression, Chiang Says

TAIPEI, Formosa (AP)—Chiang Kai-shek declared today the show of strength by the U.S. 7th Fleet in the Tachen evacuation would not deter Communist aggression in the Formosa area, even for a short while.

In an exclusive interview with Fred Hampson, AP chief of bureau from Hong Kong, the president of Nationalist China indicated the off shore island outposts his forces still man could be held against a Red attack.

Silent On U.S. Role

He again declined to spell out his version of an agreement with the United States on joint defense of Quemoy and Matsu Islands, saying only "the matter is very clear to us and to the Communists."

Hampson reported the generalissimo "seems to feel that during the Tachen action the United States got more irrevocably behind him in his fight against the Reds than ever before."

Chiang also said:

1. He is "certain" his forces will one day launch a counterattack against the Communist mainland.

2. The so-called neutral nations of Asia will not side with the West against the Communists ". . . until they have been invaded, and then it will be too late."

No Hint of Strategy

Chiang gave no indication of what strategy he will follow now that the Tachens have been abandoned to the Reds.

Present signs are that the Nationalists on the string of outpost islands running from Nanchishan on the north to Quemoy on the south will confine their operations

(Turn to CHIANG, Page 12)

Chances Figured Less Than Even

French Doubtful Pineau Can Shape Government

CHRISTIAN PINEAU
Seeks Solution to Cabinet Crisis

PARIS (AP)—Observers today gave right-wing Socialist Christian Pineau less than a 50-50 chance to form a new government as France's political crisis continued into its 12th day.

Although the Socialist party voted last night to support fully Pineau's efforts, the candidate for the premiership increased his own difficulties by pledging to follow the methods of former Premier Pierre Mendes-France and outlining a program similar to that followed by him.

The wounds left by the National Assembly's turbulent ouster of Mendes-France 12 days ago have made it doubly difficult for President Rene Coty to find a candidate suitable to the Assembly.

The Socialist backing was not expected to aid Pineau greatly.

Airline Started Operation With $400 Bank Roll

NEW YORK (UP) — The oldest airline on this side of the Atlantic has just started its 36th year, and it is worth somewhat more than the approximately $400 used to found it

AVIANCA — which stands for Aerovias Nacionales de Colombia —is the second oldest airline anywhere It was started Dec 5, 1919 just 58 days after Holland's KLM line became the first

AVIANCA was a creation of necessity after World War I had ended because Colombia experienced a business boom, and its many mountains and rivers and few highways made transportation of goods a tremendous problem

Eight men chipped in about $50 each to provide capital for an airline that they hoped would solve this problem During its first year, AVIANCA linked only three Colombian cities—Barranquilla, Medelin and Bogota The firm had one seaplane which transported 12 passengers and 850 kilos of freight that first year

The original line was SCADTA which was combined in 1940 with the SACO line became AVIANCA

Now AVIANCA services more than 60 cities in Colombia has eight through flights a week from that country to New York and four flights a week to Europe There also are twice-a-week cargo runs to Miami, Fla

Sixty-one planes are now used by the airline including three Super-Constellations and a new luxury liner is being built for the firm In 1953 its planes carried more than a million passengers and 200,000 000 pounds of freight

Which will give you an idea of what you can do with $400—sometimes.

FAST BREEDERS

Reds Studying New Draft Law

18-Year-Olds Facing 3-Year Call in China

TOKYO (AP)—Red China's Peiping radio tonight broadcast details of a proposed new conscription law to draft 18-year-olds for at least three years.

A Chinese language broadcast heard in Tokyo said the bill provides "all male citizens of China have a duty to be enlisted at 18 regardless of racial, tribal, vocational, social background, religion and educational background differences" because "to defend our fatherland is a divine duty of all citizens of China."

Excluded, said Peiping are non-revolutionaries, feudalistic landlords, bureaucrats and "capitalists deprived of political rights."

Peiping said the next session of the Communist Parliament will "discuss and adopt" the measure.

The broadcast gave these other details.

1. Army and constabulary non-officers will serve for three years; navy, air force and coast guardsmen for four years, with their terms extendable up to four months "if they are needed."

2 Eighteen-year-olds will be called up before June 30 each year. After discharge they remain in the reserve until they reach the age of 40.

WILL ATTEND CONVENTION

Cecil Gabler, principal of Harding High School, and Mrs. Gabler will leave Thursday for Atlantic City, N. J., where they will attend the annual meeting of the National Association of Secondary School Principals. They will return to Marion next week

LODGE SWORN IN AS NEW ENVOY. John Lodge (right), former governor of Connecticut, is shown in Washington after he was sworn in as the new United States ambassador to Spain. Witnessing the ceremony were John Foster Dulles (left), Secretary of State, and Mrs. Lodge.

Woman Receives Citation at Shelby

Mrs. Helen Hauenschild of Shelby, daughter of Mrs. Ethel Ott of Caledonia, has been awarded the Meritorious Service Award for outstanding service at the Wilkins Air Force Station in Shelby.

It marked the second time in the history of the Air Force station that a civilian had received the award. Mrs. Hauenschild, who has spent 10 years as a civil service employe, has been secretary to the commander of Wilkins for the past seven years.

Mrs. Hauenschild, who was given a silver lapel pin for the honor, was cited for "exceptional cooperativeness, initiative, and sincerity in the accomplishment of her assigned duties." Col. Narce Whitaker of Wilkins made the presentation.

The award won by Mrs. Hauenschild is one of the highest a civilian can receive and is given for outstanding service which merits Air Materiel Command-wide recognition.

The award winner is a graduate of Marion Business College.

The extreme specialization which has been achieved by lice is indicated by one type which feeds exclusively on the tears of one species of bird — the swifts.

Marion Man's Horses Win in Show at Texas

A Marion man, Larry Hall, returned home last weekend from Fort Worth, Tex., where two Palomino stallions he showed in the Southwestern Exposition and Stock show won 13 awards.

Sheik of Belvidere, a four-year-old stallion, was judged grand champion of Palomino stallions in the halter class. It was the third straight year the horse has won the championship. Hall said He bought the stallion at the close of last year's show.

Vagabond King won the Palomino silver mounted state class and Belvidere placed second Vagabond King was the reserve champion of the Palomino halter stallions.

In the ladies western division, Vagabond King placed second and in the open state class, the Sheik of Belvidere was second and Vagabond King third. The stallions' other places were seconds in minor classes.

Beginning in May, Hall will start showing his two stallions in shows throughout the state.

An area horse was judged second in a field of 25 horses in the show's ladies' western pleasure class. It was His Sheik, ridden by Mrs. June Rowe of Bucyrus. The same horse was grand champion of the western horse stake in the 1954 Ohio State Fair.

5,000 TO TAKE TRAINING

COLUMBUS, Ohio (AP)—More than 5,000 Ohio Army reservists will undergo training this summer at 14 camps situated chiefly in the South. In making the announcement yesterday, Ohio Military District headquarters said reservists would represent an estimated 200 company-sized units.

FIREMEN CALLED

RICHWOOD — The Richwood Fire Department was called to the Clyde Jolliff home near Claribourne Saturday afternoon to extinguish a fire caused when a chimney burned out. The fire was soon extinguished.

2 Minor Accidents Occur in Morrow

Two minor accidents were investigated in Morrow County Monday and early today by state highway patrolmen from the Marion post.

At 5:30 p.m. Monday a car driven by Claude Wright Jr., 24, of Morral skidded off the road about one and one-half miles north of Cardington on Route 42, and struck a route marker sign. The left rear fender was slightly damaged.

At 12:35 a.m. today, a southbound car driven by Warren G. Hooser, 33, of Lexington, and a northbound truck driven by Maurice L. Leach, 29, of Akron, sideswiped, sending the Hooser car into the ditch.

The truck was not damaged, but the left side of the car was moderately damaged, patrolmen said

There are more than 125 different production steps in the making of a wooden lead pencil.

Restaurateurs To Meet

Cleo Ludwig and Chris Turoff, members of the board of trustees of the Ohio State Restaurant Association, will attend a one-day meeting of the board Wednesday in Columbus.

The agenda for the meeting includes a discussion of current industry problems; a discussion of the coming eleventh annual restaurant management conference which will be held on the campus of the Ohio State University March 16-17, 1955; and a visit to the new Franklin County Veterans Memorial Building, site of the 36th annual mid-America restaurant exposition and convention to be sponsored by the Ohio State Restaurant Association, October 18-20, 1955.

KILLED IN COLUMBUS

COLUMBUS, Ohio (AP)—Mrs. Mary Knox, 36, a bride of seven months, was killed early today in an automobile-truck collision here. Her husband, Woodrow, 41, was hurt critically.

New Dormitory For Women at OSU Approved

COLUMBUS, Ohio (AP)—Ohio State University trustees today approved plans for a $1,200,000, 11-story women's dormitory and the first unit of a new law building.

The first of several like dormitories designed to handle increased enrollment, the 375-bed women's residence will be located just east of the present group of women's dormitories.

Bids for the structure, to be financed through self-liquidating bonds, will be taken in April.

The law building unit will be a three-story brick structure housing classroom and administrative facilities. Bids will be taken around the end of next month.

Trustees also awarded contracts totaling $1,010,004 for a 400-foot indoor practice building to be located next to the St. John Arena now under construction. Facilities for indoor track, baseball and other sports will be provided by the building.

Decline in January Accidents Reported by Patrol District 2

A total of 278 accidents during January, 1955, as compared to 318 during the same month the previous year, were investigated by state highway patrolmen of District 2, which includes the Marion post.

In these 278 accidents, six persons were killed in five accidents, and 115 persons were injured in 79 accidents. This compared with 12 persons killed in eight fatal accidents, and 155 persons injured in 97 accidents during January, 1954.

1,203 Arrested

The 1,203 arrests recorded in the district in January, 1955, included these violations: traffic, 867; registration and overload, 297; and felony, 3. The 2,935 warnings were issued for: traffic, 2,758; registration and other, 177; and pedestrian warnings, 67.

Other activities in the district included: special details, 132; safety talks, 81; recovered property, $3,363; trucks weighed, 24,007; driver examinations, 1,006; and registration fees, $413.

The 39 accidents investigated in the Marion post area included one person killed in one fatal accident, and 22 persons injured in 12 accidents.

Local Arrests

Breakdown of the arrests made in the Marion post area was as follows: total, 141; traffic, 130; and registration and overload, 6. Of the total 388 warnings issued, the breakdown was: traffic, 220; and registration and other, 18.

Other activities in the post area included: special details, 28, safety talks, 29; recovered property, $200; trucks weighed, 1; and registration fees, $59.

Information for the district report was released by Lt. W. B. Spence, while Marion post information was released by Cpl. D. M. Dewalt.

REDS NOT INVITED

RANGOON, Burma (AP) — Red China has protested that it was not invited to a privately sponsored Asian conference on cultural freedom opening here Thursday. Sponsors say one aim of the conference is to expose "the fraudulent nature" of Communist promises.

Window Display Of Cub Pack 2 Is Judged Best in City

A window display prepared by Cub Scouts in Pack 2, sponsored by the Oakland PTA, was judged the best of the Boy Scout Week exhibits in Marion store windows last week, the local Scout office announced today.

The "live" display, placed in the Shellhorn Music store on S. Main St., featured real Cub Scouts dressed in Indian costumes as well as many articles of Indian handicraft made by boys in the unit. The "live" portion of the display depicted the burning of Col. Crawford at the stake. The show as presented during the evening Friday night.

Judged second best was a display in the Ohio Fuel Gas Co. window on W. Center depicting the growth of forms of transportation. It was prepared by boys in Cub Pack 7, sponsored by Central Christian Church.

The third place award went to Pack 12, Glenwood Boosters Club, for a display on a double theme — transportation and handicraft. It was set up in a window at the H. Schaffner Co.

Crawford Court Verdict To Be Appealed in Lima

BUCYRUS — Notice of an appeal of a decision by Crawford County Probate Judge Constance R. Keller, authorizing the delayed presentation of a $10,000 claim against the estate of the late William Christman of near Galion, has been filed in Judge Keller's court by M. E. Christman, administrator of the Christman estate. The case is expected to be appealed to the Third District Court of Appeals in Lima.

Christman, 77, was killed Feb. 6, 1952, when his car collided with an auto, driven by Damon Ledley, Mount Gilead, southwest of Galion.

Notice of the appeal was filed after Judge Keller overruled a motion of M. E. Christman in which he asked the court to set aside the previous finding and grant a new trial. The finding made June 16, 1954, authorized the presentation of the $10,000 claim against the Christman estate by Ledley.

The Ledley claim was not filed within four months after Christman's death as prescribed by law, but attorneys for Ledley maintained he was unable to file the claim because of injuries suffered in the accident.

Gen. Kenney Sees War Unlikely Over Formosa

GREELEY, Colo. (AP)—World War III will not begin until Russia has an adequate supply of H-bombs and the means of delivering them, Gen. George C. Kenney (ret.) declared yesterday.

The commander of Allied air forces in the Pacific during World War II estimated that would take about two years.

"Meanwhile, it doesn't matter one bit what we do or what we say, as it will not hasten World War III," Kenny told the Greeley Lions Club. He insisted nothing in the Formosan situation will mean World War III.

Seek Owner of Coat

OKLAHOMA CITY (AP) — Police want to find a child about 5 or 6 so they can return her new coat. The youngster, witness to an automobile accident in which two motorists were hurt, gave up her blue-gray plaid coat so one of the victims could be protected from the cold while lying on the ground. She left the scene without claiming it when an ambulance arrived.

EMERGENCY CALL

ATLANTIC CITY, N. J. (AP) — When Marc Gold, 5, returned home from kindergarten, he found that his mother, detained on a shopping tour, wasn't there to fix his lunch. Marc had been told that in an emergency you call police. He did. And police responded. Two patrolmen came and fixed him a sandwich and a glass of milk.

Ike Runs Into Difficulty On Formosa Cease-Fire

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — Formosa, prime example of an unplanned mess, is fogbound at the moment because no one outside the inner circles of the Eisenhower administration and the Red Chinese government knows what to expect next.

They may not be too sure either. But if the administration makes concessions to the Communists, the real Formosan fighting may come, not in or around the island, but inside the Republican party.

Neither the American government nor the Chinese Communists planned the present Formosan dilemma long-range. It just grew.

This government would not have interfered if the Reds had grabbed Formosa when they drove Chiang Kai-shek there in 1949. President Truman said so. He was disgusted with Chiang at the time. The Reds stayed on the mainland, missed their chance.

—:—

TRUMAN DECIDED to defend the island, to keep the fighting from spreading, when the Korean War began. When the Chinese Reds got into it, thus becoming an active enemy, Chiang became a full-fledged American ally. He couldn't then be abandoned.

Beginning last fall the Chinese Communists made such loud vows about taking Formosa it's difficult to see how they can back down unless they can wring enough concessions from the Eisenhower administration to save face.

In turn, President Eisenhower talked tough. He got Congress to pass a resolution giving him power to defend Formosa as he saw fit, and he vowed to defend it.

This quieted, at least temporarily, Sen. Knowland (R-Calif), leader of Republicans who have demanded tough action. There was nothing for Knowland to do but wait to see how tough Eisenhower would be.

—:—

EISENHOWER LET the Reds have several Chiang-held islands, explaining they weren't worth defending and that Formosa's defenses would be stronger without them. Yesterday the Reds began talking tougher than ever. They may begin probing attacks on two more island groups, Quemoy and Matsu, to see whether Eisenhower lets them go without a fight too.

What will Eisenhower do about those islands? He hasn't said. He wants a cease-fire. What price is he willing to pay: All the Chiang-held islands except Formosa and the Pescadores? Those are the only ones he specifically has said he'd defend.

Yielding any more islands might be too much for Knowland and force an explosion in the Republican party because the questions to which the administration doesn't know the answer to at this time are:

Will the Reds accept a cease-fire? If they do, will they live up to it? Or are they crazy to force a war for Formosa?

The Reds have some advantage as long as they can keep the administration guessing. But if the administration gets a cease-fire and pledges itself to observe it, Chiang can kiss goodby any hope of recapturing China unless the Reds break the truce or in some other way force a war on the United States.

CIVIL SERVICE EXAM SET

The United States Civil Service Commission today announced examinations are open for technical editor and writer for positions paying $3,410 to $10,800 a year, in the fields of physical sciences, engineering and medical sciences; and for pharmacy resident for positions paying $2.02 an hour.

Information and application forms may be obtained from the commission's examiner in charge, J. C. Key, at the Marion Postoffice.

COCOON KIMONO. Gillis McGill is proud of the $2,000 Japanese "uchikake" she models at an international silk show in New York. The kimono, woven at the same place that makes similar creations for the Japanese Imperial household, is embroidered with gold and silver thread. It is considered ideal for Toyko ceremonial occasions.

FLEECED OF SAVINGS

CINCINNATI (AP)—Mrs. Margaret Cole, 58, said her life savings of $2,200 was gone today because she listened to two confidence women. They told her a purse containing $4,600 was found in a department store and that Mrs. Cole could share in the find if she put up "good faith" money. She did but then the women disappeared, Mrs. Cole told police.

Happy Is The Day When Backache Goes Away . . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

Cambridge Mother Has 7th Caesarean Section

CAMBRIDGE, Ohio (AP)—Doctors here term a "medical phenomenon" the 36-year-old Cambridge mother who has given birth for the seventh time by Caesarean section.

Dr. Paul Huth, who delivered Mrs. Paul Nugent's eighth child here last Saturday, said most women are unable to undergo more than two Caesarean operations.

Mrs. Nugent already was the mother of five girls and two twin boys, ranging in age from 6 to 16.

Her husband Paul, 45, a Cambridge mail carrier, was asked how it felt to be a father for the eighth time. His answer was, "Natural."

2 KILLED NEAR DAYTON

DAYTON, Ohio (AP)—A man and woman were killed last night in a two-car crash on U. S. 40 just east of the Montgomery - Preble line, the state highway patrol reported. Victims were listed as Herschel Taylor, 32, of Dayton and Joyce Ann Maxel, 20, of nearby Verona. She was a passenger in the car Taylor was driving.

Advertising helped make the difference

"GET A HORSE!"—that taunting cry aimed at early motorists—has disappeared from our American language. Today's auto makers produce more cars . . . and better cars . . . with horses to spare under the hood.

But to mass produce millions of autos, manufacturers must be able to sell them by the millions. Only by advertising can a manufacturer talk to millions of people at one time.

ADVERTISING TELLS the story of new cars . . . and helps sell them. The more it sells, the more must be made—keeping the production lines and the jobs going. The result: better cars at prices more people can afford to pay. Advertising helped make the difference—in the car you drive, and in our American way of life.

Judge Ordered To Show Cause For Press Ban

CLEVELAND (AP)—Appeals court today ordered Common Pleas Judge Parker Fulton to show cause why he should not be prevented from barring the public and press from his courtroom, even when defendants have waived their right to a public trial.

Cleveland newspapers sought the order, claiming persons charged with a felony have no legal right to a private trial.

Last week Judge Fulton barred spectators from his courtroom during the testimony of a woman witness in a pandering trial. The three defendants waived their right to a public trial. The judge said since the federal and state constitutions give defendants the right to a public trial, they also give defendants the right to waive public trial.

After the witness completed her testimony, Judge Fulton opened the doors to the press and public.

The order signed today by Appellate Judges Joy Seth Hurd, Lee E. Skeel and Julius M. Kovachy requires Judge Fulton to stop barring spectators, or to show cause at a hearing Friday morning why he should not be prevented from barring spectators.

FOLK FESTIVAL SET

WILMINGTON, Ohio (AP) — Wilmington College will present its eighth annual International Folk Festival this weekend. Folk dancing and singing will take the stage Friday, plays acted without words will be presented Saturday, and the All-Ohio High School Chorus and the All-Ohio College Orchestra will sing and play Sunday.

FINISHES THE JOB IN DIFFERENT WEATHER. Molly Ann Stringer of Amarillo, Tex., started to trim a hedge in 72-degree weather, left, but finally finished the job next day dressed for winter. Overnight the temperature dropped to 25 degrees.

Catch Basin Cleaner Invented by Marionite

A catch basin cleaner invented by Harley Haines of the Haines Auto Body Service, 441 Wilson Ave., is now on the market.

Called the Memco, the new cleaner is being produced in the shop at Wilson Ave. under the name of the Maintenance Engineering and Manufacturing Co.

It consists of two semi-shovels which open and close by means of a lever handle at the top of a long pole. Its makers said the new cleaner can lig out a full load of catch basin dirt even when the dirt is submerged in water.

Another advantage claimed by the makers is, that the cleaner won't clog with mud.

METHODIST PASTOR DIES

COLUMBUS, Ohio (AP) — Funeral services are planned Thursday for the Rev. Harry E. Bright, 74, retired Columbus pastor and former superintendent of the Chillicothe District of the Methodist Church's Ohio Conference. He died yesterday.

Benefit Association Names New Local Representative

Keith Malott
of 288 East Center St., Marion, Ohio,

Who is well known to people of this vicinity, has been appointed the local representative of the Benefit Association of Railway Employees, to serve the families of this area. His specialized training in fitting insurance protection to family needs makes him well fitted to provide the high quality of service for which the Benefit Association is known to the families of more than 250 railroads and hundreds of industrial firms. In presenting the Benefit Association's new protection plans now available to families in every walk of life, Mr. Keith Malott gives you personalized counsel on how to provide the greatest amount of protection at lowest possible cost to fit your own particular needs. We are sure you will welcome this new local service.

A new Paycheck Protection Plan, paying folks of this area $250.00 per month, when laid up by sickness or accident, is now offered here for the first time by the Benefit Association of Railway Employees. For the past 42 years, this national firm has been providing benefit services for railway and employee groups.

This new benefit Association plan pays $250.00 a month or $3,000.00 a year for disability due to accident or confining sickness—and payment at this rate is made for as long as your doctor says you can't work, whether for a day, a week, a month or even for life. There are added benefits, too — for non-confining sickness, for hospitalization, home nursing care, payment for accidental death, and many other benefits. There are some exceptions and waiting periods, of course, but suprisingly few.

The Benefit Association Paycheck Protection Plan does not reduce its benefits as you grow older, and cost does not increase with your age. It is renewable at your option and the company's just like term life insurance. You're paid in addition to other insurance or Workmen's Compensation — and are protected both on and off the job. It is offered to employed men and women in good health, ages 18 to 69, at special low cost with no policy fee. Of course it cannot cover sickness already in existence.

Thousands of families from coast to coast have experienced the prompt, helpful, friendly service offered by the Benefit Association which has already paid benefits of more than $140,000,000. And if your family has this protection when needed, you'll agree with the folks who say, "The Benefit Association is a real friend in need!"

GET FULL INFORMATION

Find out now how quickly and easily you can have this $250-LD protection that pays $250.00 a month when laid up — even for life! No cost or obligation. You must see the actual policy to have all the facts. Just mail the coupon below — either in an envelope or pasted to an ordinary 2c postcard. Complete details will be sent to you without delay. Mail the coupon — Today!

Citizens of Responsibility

A crackling controversy will follow the Hoover Commission's proposal for more high-level presidential appointments.

The idea behind the proposal is that a new administration should have the right to name its own friends to policy-making positions. This has been the constant headache of the Eisenhower administration — that too many high-level jobs remained in the hands of people hostile to its aims.

This is a good time to remember, in the light of the Hoover Commission's proposal, that the Eisenhower administration is trying out an idea no one ever experimented with before in high-level admnistration.

It called private citizens to Washington to serve their country at heavy personal sacrifices. It asked citizens who were not politicians to get into public life for the sake of the the general welfare, not for the sake of a political party. And it got results.

This has been a body blow to the booming cult of political voodoo worshippers who had been telling Americans their salvation lay in more politics, not less politics. Under Presidents Roosevelt and Truman, everything began and ended in partisanship. But under President Eisenhower there has been a different assumption — that politics is only a means to an end, not an end, itself.

This has infuriated politicians and those who put all their faith in politics. But it has appealed strongly to people fed up wth the smell of partisanship after 20 years of intensive New Dealing and Fair Dealing.

The Hoover Commission's proposal, which looks at first sight like a boost for the spoils system, would keep partians from solidfying their grasp on the federal government by monopolizing policy-making jobs.

Judge Ruzzo's Statement

There is published elsewhere on this page today a letter from a reader who believes Judge Edward J. Ruzzo should be commended for his recent handling of a juvenile case involving auto theft, but questions the necessity of a statement released by the judge at the time sentence was passed.

We agree most decidedly that Judge Ruzzo should be commended for the manner in which he dealt with a difficult situation. We also think, however, that his statement was one of the best things of its kind we have seen, and we feel it was completely justified.

The statement was written and released because of the unusual interest stirred up by the case, and the response has been excellent. In the main, the statement attempted to point out to juveniles their responsibilities to themselves, their parents and society in general, and in our opinion accomplished its mission very well.

This county is fortunate to have a judge like Edward Ruzzo administering justice, advice and guidance to its youngsters. We're for him.

Limited Aid to Education

So many issues are entangled in the phrase "federal aid to education" that President Eisenhower's recommendation for aid cannot be understood without understanding, first, what he did not recommend.

He did not recommend the use of any federal money for direct educational expense. He did not recommend a federal giveaway program. He did not recommend federal control over anything with bearing on academic activity.

He did recommend a procedure for helping local school districts provide some of the hundreds of thousands of classrooms needed to meet the needs of a growing school-age population. One kind of help would be given in a relatively small way with federal grants — 200 million dollars' worth. The bulk of the aid — 750 million dollars' worth — would be given in self-liquidating capital investments. This is a significant new idea in the use of federal funds without any accompaniment of federal control.

By setting up a school building loan authority, Congress would make it possible for local school districts to get classrooms without going through the usual procedure of issuing bonds for private sale. While many districts would continue to do the job that way by preference, districts needing special treatment could get it from the federal loan authority, which would buy low-interest-bearing school bonds.

This is limited federal aid to education, proposed at a time when any federal aid is certain to be resisted bitterly by irreconcilables in the anti-segregation fight in Congress. That apparently will be the key to the school aid issue in 1955, instead of the need for classrooms. Federal aid for schools probably will have to wait until Congress can settle a fight that has been raging since the Civil War.

Target Practice

Father is urged to spend more time with the children, and if he watches closely there is a brief period between "Howdy Doody" and "Crusader Rabbit" when he may be able to get a word with them.

—:—

Walter Tippy got the diagrams in the newspaper mixed up and learned the mambo from what actually was a sketch of the Red Chinese island-hopping technique. Earns him oodles of compliments, too.

Conscienceless Age

By David Lawrence

Disregard of Principles Undermining U.N.

Some day the historian who surveys the present period in history may call it an age without principle or morals in international affairs — an age in which the phrase "collective security" was extolled in theory but callously disregarded in practice.

Throughout America, for example, there is an almost worshipful attitude toward the objectives of the United Nations but in Great Britain which would be expected to be a keystone in the arch of collective security, much is being said that can alienate American opinjon from further support of the U.N.

This is most clearly revealed in the present discussion in Britain over the "legality" of the American position with reference to Formosa and the admission of Red China to the United Nations.

Certain legalisms are introduced when it is convenient but others are cast aside when it is deemed expedient to do so. Thus in none of the letters that appear in the British press questioning the right of the United States to make a treaty with respect to the defense of Formosa is there a single reference to the actual position under international law in which Britain and America and the other ten nations recently engaged in the Korean War now find themselves.

-:-

BASED ON ALL THE International precedents, the United Nations actually is in a state of war with Red China today. Intervention in Korea in June 1950, was ordered by the Security Council of the U.N. When Red China's troops entered the war a few months later, the U.N. adopted a solemn resolution declaring Red China's government to be an "aggressor."

Nothing has happened since to erase that resolution from the legal record. The armistice at Panmunjom which ended the fighting was a "cease fire." It was not a treaty of peace. Hence the state of war continues. That's the truly legal position of Great Britain as well as the United States today.

From time immemorial a state of war has superseded all other legal considerations. Thus in 1941, the Petain government in France was the legally constituted government of France but no Americans suggested that it be recognized.

When nations are in a "state of war" they are in duty bound to take measures of common defense and particularly to take action deemed necessary if the armistice provisions are violated. Hence it is surprising to note how often British editorials refer to the Formosa treaty as "an American project."

The military commanders of the United States feel that the defense of Formosa is a defense against one flank of the enemy. Formosa and the islands necessary for its strategic protection by air have been declared to be part of a western defense line of the United States. It is equally a defense line for the U.N. in the Korean War which has by no means ended.

Red China was given an opportunity at the Geneva Conference last spring to place the whole matter of reunifying Korea before a commission of the United Nations but, supported by Moscow, the Peiping regime declined it and used the occasion to vilify the U.N.

-:-

HOW THEN IS IT moral or legal for Britain in the Formosa controversy to be taking the lead in trying to arrange for a commission or conference outside the U. N.?

Supposing Hong Kong were attacked tomorrow would the British be pleased to hear Americans saying that it was strictly a British affair?

What is the legal position today of Britain in Hong Kong which is far more a part of China than the disputed Formosa?

Notwithstanding all the talk about "colonialism," Britain holds on the mainland of China a territory that really belongs to the Chinese — but American military opinion strongly favors the retention and defense of Hong Kong because it would be strategically helpful to our side if the Red Chinese should enlarge the war in the Far East.

An unfortunate impression is being made here by certain British members of Parliament, some of whom are writing letters to the London newspapers decrying the American position with respect to Formosa as not being in accord with international law. Also there are British spokesmen lecturing in this country who insist that the Communist government in Peiping is entitled to recognition and to admission into the U.N because of legal principles or international custom.

-:-

NOT ONE OF THESE spokesmen realizes perhaps that he is undermining confidence in the United Nation. For it was the U.N. that intervened in Korea costing the lives of 4,000 American boys and 110,000 wounded.

All this was supposed to be for "collective security." If that moral principle is abandoned and eyes are closed in the U.N. to the acts of the aggressor which have never been repented, let alone punished, why should American boys again be asked to make a supreme sacrifice in behalf of an organization which so soon forgets a moral principle?

Unless this question is satisfactorily answered London may prove to be the breeding place for another wave of American isolationism such as swept America in the '20's.

(N. Y. Herald Tribune)

Uneasy Head

Eisenhower on Defensive on School Aid

By James Free

President Eisenhower is fighting a defensive battle on federal aid for school construction.

It is a battle that Republican political strategists did not plan to take on until 1956—after their big national conference on education problems long ago set for November of this year.

Not only has the GOP timetable been upset, but chances of victory for the type of program the president wants have been reduced. In fact, at this stage, chances of approval of the Eisenhower proposal by the Congress are virtually nil.

The question now is, can the narrow Democratic majorities in the Senate and House push through the kind of federal grants program they advocate? And, if so, would President Eisenhower dare veto it?

-:-

FOR THIS STATE of affairs, Democrats are congratulating Sen. Hill, chairman of the Senate Education and Public Welfare Committee. Hill's tactical skill has thrown the GOP off balance.

The President in January scheduled his special message on the school construction problem, at the end of a series of special messages to the Congress.

Administration spokesmen stressed opposition to any federal grants program for what they looked on as mainly a problem for the states and localities.

Hill proceeded with open hearings on several bills, one being his own, calling for a billion dollar two-year emergency federal grant program. Witnesses from all parts of the country drew in three days graphic pictures of the inability of local and state authorities to keep abreast of an ever-expanding classroom shortage. Letters and telegrams poured in by the hundreds backing testimony of educators and students.

The resulting heat of public opinion had its effect both at the Department of Health, Education and Welfare and at the White House. Word went to the Hill committee during its hearings that the President's message would arrive ahead of schedule by a full week. When it came last Tuesday, the President, for the first time, suggested that some cases of extreme local need might call for federal grants in aid.

The amount of proposed federal matching funds—200 million dollars over three years—seemed too little to Chairman Hill and his Democratic colleagues. But they were encouraged that President Eisenhower had made this new concession, along with his expected plan for federal stimulation of locally financed projects that would cost six billion dollars in three years.

Hill plans to hold further hearings as soon as possible to allow administration spokesmen to explain the Eisenhower proposal. Also, Hill feels confident, Democratic committee members will expose its weaknesses through questioning.

The Alabama senator believes there is better than a 50-50 chance that a Democratic-sponsored, federal-grant emergency program bill can be cleared by his committee and passed by the Senate. He thinks, that, if this sort of federal-grant bill can be brought to roll call votes in both Senate and House, it will pick up a fair number of votes from the GOP side.

-:-

HILL'S IDEA IS that the biggest obstacle will be, not the Eisenhower proposals, but Republican efforts to tack anti-segregation amendments on the Democratic bill. Such amendments would try to ban federal matching funds from states having segregated school systems. Hill and backers of his program argue that this is something for the states themselves and for the courts to work out.

No matter what happens to the federal aid for school construction bills in Congress this year, the classroom shortage still will be very much with us in the upcoming presidential election year, 1956. And the records of the Democratic and Republican parties on this shortage between now and November, 1956, will provide a top domestic campaign issue.

(North American Newspaper Alliance)

Loyalty-Security Check

By David Barnett

The Eisenhower administration has opened the door for improvements in its loyalty and security program.

Presidential assistant Sherman Adams has written Dr. Detlev W. Bronk, president of the National Academy of Sciences, requesting him to set up a committee to suggest improvements in the loyalty program for those seeking research grants in fields not specifically related to defense matters.

Although the study is limited to the field of research grants, Dr. Bronk acknowledged it was a "fair estimate" to consider the administration's request as a step toward cooperative improvement in the entire loyalty and security program.

In an interview, Dr. Bronk made it clear that the recommendations he would transmit to the White House would stay clearly within the boundaries of the research-grant loyalty program.

But he admitted that principles worked out by his group might have application in the general field of the loyalty program.

The basic problem of the loyalty - security program is to preserve the security of the country without imparing progress. Critics of the government's methods of meeting this problem contend that the loyalty and security standards imposed have been so rigid that progress in many fields —diplomacy as well as science— has been curtailed.

One of the factors supporting the conclusion that the Bronk committee's report may have more importance than its limited objective indicates is the source of the request. It came from the White House, rather than from the Department of Health, Education and Welfare, the federal department concerned with research grants.

Its genesis may be traced to concern by the National Academy of Sciences over the rejection last spring of requests for some public health research grants on the unofficial grounds that those requesting the grants had not met loyalty checks.

Dr. Bronk took the matter up with Mrs. Oveta Culp Hobby, secretary of the department, and several months of discussion ensued.

It was understood that, before the request for the study was transmitted to Dr. Bronk, the procedure was discussed with Chairman Strauss of the Atomic Energy Commission.

Furthermore, the Adams letter, in part, goes beyond the specific problem of research grants. It asks for advice "in the formulation of a policy to the end that the scientific resources of our country may be fully and effectively utilized."

Some scientists have contended that the security program has caused such a gulf between the scientific community and the government that competent researchers have been reluctant to work on classified projects.

Dr. Bronk said he expected to name the committee in about a week. He emphasized that he was seeking men with no preconceived ideas about what sort of loyalty program should be adopted.

(North American Newspaper Alliance)

From Our Readers

To The Star:

After reading Judge Ruzzo's statement, printed Thursday, Feb. 10, 1955, regarding the stiff (?) sentences imposed upon the boys involved in the auto theft, we wonder why the Judge felt that he needed to vindicate himself in the matter.

We can only imagine the tremendous pressure brought to bear upon the Court during the proceedings following the arrests; but would Judge Ruzzo have felt an explanation was necessary in sentencing boys from lower income families for a similar crime?

Judge Ruzzo should be commended for his independent action in the case, rather than feel called upon to excuse himself for punishing the boys.

Marion County History Brevities

By EDNA S. DUTTON

One of the many problems the early settlers of the county had to deal with was the visits of the Indians, some of whom felt that any property owned by the whites belonged to them also. A squad passing in front of cabins of the white settlers would often halt, and while the men waited outside, the squaws would enter the house without rapping. If anyone was present they would ask for anything that struck their fancy and if they were refused would become quite angry. If no one were present on these occasions the intruders often helped themselves to what they wanted. They never lost an opportunity to display their wares and generally asked a good price for them.

Addled Aphorisms

By TRUMAN TWILL

Maybe you've noticed it too:

There is no fool like a young one.

The squeaking wheel gets a dirty look.

A rolling stone gathers momentum.

A turning worm gathers no moss.

A penny saved buys nothing.

The best things come in large packages.

One swallow never makes a hangover.

Proximity is the mother of invention.

Absence makes the heart grow colder.

To know a man well is to become more critical of his faults.

Early to bed and early to rise makes Jack a dull boy.

Experience is the best disillusioner.

The less said the less understood.

A bird in the hand is no bargain.

The proof of the pudding is on the label.

Virtue is its own worst enemy.

If the shoe pinches, the clerk has pulled a fast one.

The typewriter is mightier than the pen.

While there's life there's despair.

There is no book so good but someone will find something bad in it.

Travel is flattening on the pocketbook.

A soft answer turneth away nothing.

Faint heart never won an allmony settlement.

'Tis better to have loved and lost than to have lost your shirt.

To the victor belong the war debts.

Comparisons are revealing.

In the night all gray cats are on their own.

Do not cross your bridges until you have paid the toll.

Put away a little something for a sunshiny day.

Make no bones about sleeping dogs.

When in Rome do as the tourists do.

A gift horse should be looked in the eye.

There is nothing like striking while the management is hot.

Birds of a feather fight together.

The more the noisier.

In the spring a young man's fancy lightly turns to thoughts of baseball.

Cast thy bread upon the waters for thou shalt find no better way to get it out of sight

East is East and West is West and always the twain shall tangle.

Hell hath no fury like a woman's.

A fool and his money only knock once.

What goes up is full of gas.

A stitch in time keeps the shoemaker's children from going barefoot.

A man is a lot older than he feels.

There's many a slurp twixt cup and burp.

Haste makes the mare go.

Daily Bible Thought

"I am not come to call the righteous, but sinners to repentance." — Luke 5:31. We think there is plenty of corruption still in our civilization, but those who have visited the ruins of Pompeii know that the ancient world had sunk to abysmal depravity almost past belief. The Salvation Army is one agency that centers on the task of redeeming slum people and slum areas.

GRIN AND BEAR IT

By George Lichty

"... As to my plans for '56, boys ... I've said all there is to say, except 'no'! ..."

The Once Over

By H. I. Phillips

If We Did It That Way

Meditating further upon the events in Russia the past week, we fell asleep and in a dream opened a newspaper to read the following:

WASHINGTON — At a sensational session of the cabinet ministers of the Republic of the United States the resignation of Premier Ike Eisenhower was announced. In a remarkable letter Premier Eisenhower confessed his guilt in certain fsilures of government, with special amphasis on agriculture. "The wheat fields are still too close to the golf-course fairways," he said, "and the results of my efforts to point the way to getting out of the cornfields without penalty strokes have been negative.

-:-

"The viragoes and Morses will make their usual attempts to distort my reasons, but I am getting out entirely because it is for the best interests of the U.S.A. I realize that I lacked previous experience and training necessary for my job. Also I have been using the wrong clubs," he continued. "The farm situation under me has not come up to my high hopes and I confess that in my own herd of cows at Gettysburg the milk quota has not been achieved.

The pro says I am gripping. In leaving the office and heading for the showers I wish to assure the people that I will accept whatever new duties are assigned me and do my best, up to the point where I am asked to concede those two foot putts."

It was announced that Deputy Charles Wilson had been named premier. There was a move to name John Foster Dulles but he was in the air as usual and it was not clear whether he was coming or going.

The status of Comrade Nixon is unknown, due to his absence from the country. Announcement of the change was made by Joe Martin, and experts believe he is now the head man. It is expected Mr. Wilson will be a tougher ruler. This is based on his repeated moods of violence whenever he sees General Motors go over 100 and realizes that he had to sell his vast holdings in the forties in order to save his country and get his headaches in Washington.

-:-

Immediately after the announcement of the shakeup, the government issued instructions to the press on how it should handle the story. "Keep it short," they said. "Put Eisenhower's picture inside. Use pictures of new headmen on front page, regardless of any news about the Gabor sisters, Marilyn Monroe, Serge Rubinstein or AFL merger with CIO. Publish political experts' views on sports pages. Keep headlines down to size usually used in weather forecasts."

Now that the big labor merger has been approved those "Meany Unfair To Reuther" (and vice versa) banners will disappear. . . Meany began life as a plumber's helper but it is years since he had to go back to get anything he forgot.

Jane Russell in a new movie performs under water as a frog-woman, but what's so new about it? We saw a woman do that at the old Hippodrome years ago and even eat a banana under water.

We didn't know until we read Ralph Pomeroy's yarn in "Promenade" that Eddie Foy, Jr., was one of the Seven Little Foys in vaudeville days, and that the family name is Fitzgerald. . . Eddie, Jr., says that his famous father acquired the name when a down-and-out old actor met him outside a theater and said, "You're good but your name is too long. Nobody remembers me but they all remember my name, Foy. You can have it as a present."

There must be a nervous moment in Moscow when one leader meets another and asks, "What's new with you?"

John L. Lewis not only lost face but eyebrows in that merger of AFL and the CIO.

Do you suppose Jackie Gleason's dieting is due to a General Motors order that he develop low, rakish body styling?

Schine Theater Case Opens in Federal Court

BUFFALO, N. Y. (AP) — Federal Judge John Knight has acquitted one defendant in the federal government's criminal and civil contempt actions against the Schine theater interests, but denied dismissal motions for five other individuals and nine corporations.

The remaining Schine defendants were scheduled to open their case in federal court today.

Judge Knight yesterday acquitted Elmer F. Lux, president of Elmart Theaters Inc. and Buffalo City Council president. Lux had been named a "respondent" in the criminal contempt actions brought against the chain.

The government's evidence against Lux, Judge Knight ruled, was not adequate to sustain the charges.

Lux was formerly general manager and vice president of Darnell Theaters Inc. Both Elmart and Darnell are defendants in the trial.

Civil and criminal contempt actions against the Schine group arose from a government anti-trust suit begun in 1939.

The government claims the principals have failed to comply with a 1949 court order directing disposal of 39 theaters in four states, including Ohio.

The Department of Justice rested its case Feb. 2 after calling 69 witnesses and introducing about 1,100 exhibits.

Louisville Publisher Will Address Newsmen

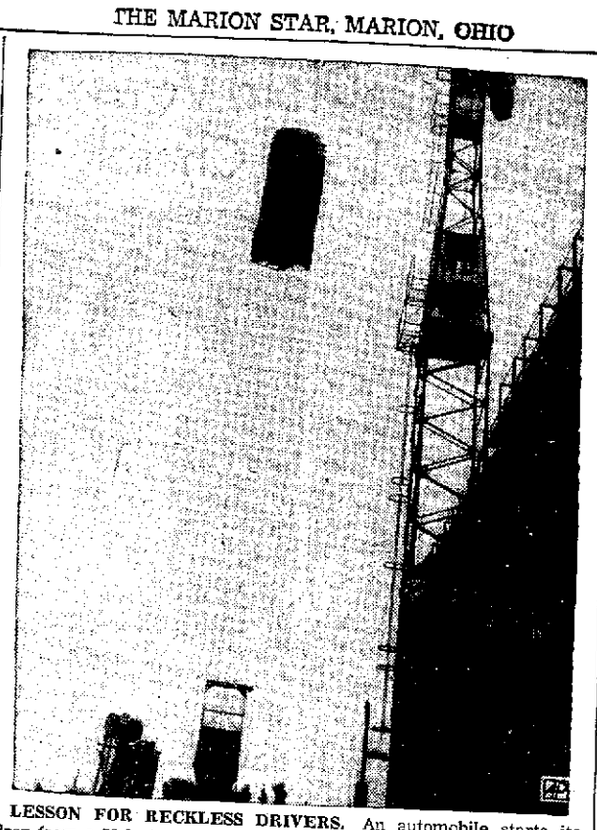
COLUMBUS, Ohio (AP)—Mark F. Ethridge, publisher of the Louisville Courier-Journal and Times is to address Ohio newsmen today in the second day of the Ohio State University Press Institute.

Ethridge also will conduct a seminar for the 18 newspaper editors attending the institute.

The five-day conference is planned to cover problems confronting municipalities and ways for newspapers to help solve them.

LION TRAINER KILLED

OUNDLE, England (AP)—A French lion trainer, recently hired by the Roberts Circus, was mauled to death the first time he entered the lions' cage to put them through their act. The victim was Rene Roger Ruellot, 26.



LESSON FOR RECKLESS DRIVERS. An automobile starts its drop from a 70-foot tower to the concrete below during a recent traffic safety demonstration in Copenhagen, Denmark. An estimated 5,000 car drivers saw the car fall, crash into the pavement and crumple in what demonstrators said was the same effect as a head on crash at a speed of 50 miles an hour.

District Industrial Art Teachers Invited to School Open House

The Industrial Arts Department of Harding High School will hold an open house at the school next Tuesday night for shop teachers of north central Ohio.

The open house will last from 6:30 to 9:30 p.m. Teachers attending will explore the idea of forming an Industrial Arts Teachers' Club which will meet periodically at the different schools in the area for idea exchanges.

50 Invited

Announcements and invitations have been sent to about 50 industrial arts teachers in Delaware, Richland, Crawford, Knox, Wyandot, Union, Morrow and Marion Counties.

Industrial arts instructors at Harding are Robert Winterhoff, general shop; Joseph Petrich, drafting; and Ray Hoops, graphic arts.

The industrial arts or manual training courses are taught to acquaint boys with the materials and skills used in industry.

Sophomores taking General Shop I spend six weeks each in drafting, photography, printing, wood shop, sheet metal working and foundry working.

Take Year's Course

As juniors and seniors, shop students may choose a full year's course in any of the fields studied in the sophomore year.

This year two new wood lathes in the general shop and a Davidson Offset Press in the printing department have been added to bring the equipment of the shop up to high standards.

The wood shop and photography courses have proven popular this year in the night adult education classes.

Besides the classes offered at the high school, students in the junior high schools in the city are also offered industrial arts programs.

Rash of Michigan Fires Claim 5 Lives

DETROIT (AP) — Five persons, four of them children, lost their lives in a rash of fires in Michigan yesterday.

In addition, flames destroyed an automobile sales agency in Port Huron, causing an estimated half million dollars damage.

Linda Yager, 2, died and her 3-year-old brother Roy was burned critically in a fire that swept through a two-story frame home in Flint. Firemen said the girl suffocated.

Mrs. Eleanor Tolowski, 30, died in a vain effort to save her year-old son Robert from a flaming farm home near Hesperia, in northwestern Lower Michigan.

Linda Reed, 3, and her brother Ronald, 2, died in a fire that swept their suburban Pontiac Township home. Their mother Myrtle, 24, was burned severely trying to rescue them.

The Reeds only other child, an infant son, Kenneth suffocated in his crib last May.

MARK VALENTINE DAY

LOS ANGELES (AP)—Mr. and Mrs. Phillip E. Singer celebrated their 25th anniversary on St. Valentine's Day by being married a second time in a blimp 3,000 feet over the city. Singer, a North Hollywood chiropractor, and his wife Edythe were married in 1930 in another blimp.

Shooting Accidental, Wounded Pastor Says

NEWARK, Ohio (AP)—A Newark minister who police said was shot in the abdomen Sunday in a struggle with a son over a .22 rifle, has told Police Chief Lester L. Hall he is "certain" the shooting was accidental.

Chief Hall said Rev. Starlie Brooks, 65, victim of the shooting, made the statement in a bedside interview with him and Prosecuting Atty. Forrest Ashcraft at Newark City Hospital, where the minister remains in serious condition.

Chief Hall said Rev. Brooks added: "I don't think the boy intended to shoot."

The son, Homer, 45, a World War II veteran not long out of a federal hospital, remains in custody pending further investigation.

DECLARES MISTRIAL

COLUMBUS, Ohio (AP)—Learning a juror had been drinking, Judge Ralph Smith yesterday declared a mistrial in the case of Charles Daniels, 51, of Columbus, charged with operating a motor vehicle while intoxicated. Judge Smith said to continue the trial would be a "travesty on justice."

DIES OF INJURIES

DAYTON, Ohio (AP) — Marion Dean, 61-year-old Dayton man, died yesterday in Brown Veterans Administration Hospital eight days after he was injured by a hit-run motorist in downtown Dayton.

Senator Questions FCC's Handling of Edward Lamb Case

WASHINGTON (AP)—The communications commission hearing into the background of Edward Lamb, Toledo, Ohio, publisher-broadcaster, is scheduled to resume tomorrow after a possible Senate probe of the case developed.

Chairman Magnuson (D-Wash) of the Senate Commerce Committee said yesterday the commission may be asked to explain its handling of the case.

The hearings are on allegations Lamb once knowingly associated with Communists. Lamb has repeatedly denied the charges.

The hearing, resumed last week after a long recess, was recessed yesterday because Russell Morton Brown, one of Lamb's attorneys, was ill.

At issue in the hearing is renewal of the license for Lamb's radio station, WICU, Erie, Pa.

TO REVIEW NIKE SITE

WASHINGTON (AP)—Rep. William Minshall (R-Ohio) says defense officials will review their site choice for a guided missile launching area in Rocky River, Ohio, near western Cleveland. The site selected was just south of the Westwood Country Club in Rocky River. Opponents said the land should be used for a private housing development.

The Social -:- Notebook

A MEETING of the Sun and Shade Unit of the Marion Garden Club will be held Thursday at 8 p.m. at the home of Mrs. Don Yoder, 647 Concord Ave.

Serving as associate hostesses will be Mrs. Don Miller, chairman, Mrs. John Turner Jr., Mrs. Jack Lord, Mrs. Paul Kohler and Mrs. David Isaly.

The program, pertaining to conservation, will be in charge of Mrs. Ralph Carhart and Mrs. James Greetham.

—:—

NOMINATION OF officers for the new year will be held when the Elks Women's Club meets Wednesday at 8 p.m. in the lounge rooms of the Elks Club. Serving as hostesses will be Mrs. Francis Korte, Mrs. Clifford Chapman and Mrs. Henry Lyons.

—:—

A party honoring Carolyn Rose on her eighth birthday was given Saturday afternoon at her home, 890 Uncapher Ave., by her mother, Mrs. Margaret Rose and Miss Marilyn Rose, assisted by Mrs. Vivian Hanes of Caledonia.

Various games were played with prizes going to Linda Faust, Leah Brown, Sue George, Karen and Joan McKnight and Ronald Hanes. Lunch was served at a prettily decorated table centered with a large birthday cake. Before the luncheon, guests sang, "Happy Birthday."

Attending the party were: Sue George, Pamela Augenstein, Patty Dyke, Leah Brown, Linda Rose, Nancy Freeman, Joan and Karen McKnight, Linda Benson, Kathy Copeland, Betty Kraft, David Keller, Connie Gibson, Sheila Rech, Judy Hix, Bobby and Sharon Rose, Larry and Ronald Hanes of Caledonia, and Linda Faust of Radnor.

The guest of honor received many beautiful gifts.

—:—

Mrs. William Luse served as cohostess when Mrs. Kenneth Smith entertained the Youth Study Circle of the Child Conservation League, Thursday evening at her home at 648 Olney Ave.

The mother's creed by the group opened the meeting, devotions were conducted by Mrs. Jack Brown, and in response to roll call members told when, where and how they met their husbands.

Mrs. Walter Sinden presided for the meeting in which final plans were discussed for an annual guest party to be held Feb. 16 in the community room over the West Town Branch of the National City Bank. An announcement was made of the CCL spring conference to be held in April.

For the program, Mrs. J. N. Ritzler reviewed "I'm Telling You For the Last Time" by Parke Cummins. During the social hour, a special award went to Mrs. James Stoner. The next meeting, March 10, will be with Mrs. Harley Kelley of 889 Sheridan Rd., with Mrs. Chris Caserta as cohostess.

—:—

Valentine handkerchiefs brought to a meeting of the Child Research Club Thursday evening were designated for a member who has been ill. Mrs. Walter Snyder was hostess in her home on Olney Ave. and a Valentine theme was carried out during the social hour. Rollcall was answered with household hints, and birthday pennies were collected. Honors in cards went to Mrs. Pete Bascos, Mrs. Snyder and Mrs. Sam Cirivello. The next meeting will be at the home of Mrs. Ivan Jordan.

—:—

Mrs. Esther Bird of near Cardington entertained the Collins Euchre Club Sunday evening at the home of Mrs. Thelma Coder of near Cardington. The group voted to name the club the Silly Dilly Club the name submitted by Delbert Collins.

In euchre, Mrs. Bird won the high and lone hand scores and Mrs. Dee Collins won second place. Mrs. Edith Collins won the low hand and Charles Collins and John Bird won high and second places, respectively, for the men. During the social hour, Mrs. Coder and Mrs. Bird were hostesses.

The Feb. 27 meeting will be held at Mr. and Mrs. Delbert Collins' home near Edison.

—:—

The fourth and concluding lecture of a series sponsored by the literature department of the Marion County Federation of Women's Clubs will be presented tonight at 8 by Mrs. Mae Pyle Andrews of Ashland College. The program will be "Living Literature From the Hebrews."

A social hour will follow and tea will be served, Mrs. C. W. O. Stetson, chairman, has announced.

PTA Activities

A film on narcotics will be shown Thursday night at a meeting of the New Bloomington PTA, scheduled at the high school. The public and all youths in the New Bloomington area have been invited to attend the meeting which will get under way at 8 p.m.

—:—

A founder's day program will be presented when the Oak Street School PTA meets Tuesday at 7:30 p.m. at the school. The theme will be "Together We Have Built."

Richwood Council Okays Ruling for New Addition

RICHWOOD — At the regular session of the Richwood Village Council Monday night, one resolution was approved.

The resolution will allow residents of the proposed new addition on the presently owned Clarence E. Connolly land at the east corporation line of the village to subscribe to the city water and sewerage.

The committee on water reported that a complete srvey will be made of all residents as to their water consumption and needs.

The U. S. traffic death toll is 7.3 deaths per hundred millions miles of auto travel, the lowest in the world and 50 per cent lower than it was 15 years ago.

Lodge Activities

A covered dish birthday dinner honoring members who celebrated birthdays during the last quarter of 1954 preceded a meeting of Whitney Lodge No. 846, Ladies Auxiliary to the Brotherhood of Railroad Trainmen, Wednesday night in the Central Labor Union hall.

A report was given on the annual family party held Jan. 31 in Eagles hall. The sum of $10 realized from a cake walk was donated to the March of Dimes. Seventy-five members and guests were present and games and contests provided entertainment.

For the program, a film showing what might result should the conveyor belt law be enacted was shown. Plans have been made for a chartered bus to take the officers and members of the degree team to Lorain Tuesday where the long-form initiatory work will be exemplified for the golden anniversary celebration of Lodge 323.

—:—

Knights of Pythias lodges from Marion and Union Counties gathered at Walter Scott lodge in LaRue Friday for a joint meeting.

Lodges from Marion, Caledonia, Morral, Green Camp, Prospect, Essex and Magnetic Springs were represented.

The rank of page was exmplified with members of the various lodges taking part. Participating in the ceremony were Charles Carr of Green Camp, Pythagoras; Clarence Washburn of Morral, chancellor commander; Arthur Habermann of Green Camp, vice chancellor; Dwight Holt of Prospect, prelate; Merle Wolfinger of Green Camp, master-at-arms; Wallace Conkle of Marion, inner guard; and Damon Ledley of Essex, outer guard.

Kerr W. Conkle of Marion, district deputy, presented the grand lodge program which includes a highway courtesy driving campaign, public speaking contest on highway safety, a youth and welfare fund for the aiding of children with defects of sight, and a membership drive, and called on the membership to promote the program and to cooperate more effectively with the lodges in their area. B. Harry Gast, grand prelate from Prospect, was presented and reviewed past experiences in the LaRue lodge.

Dean Straley of Marion was in charge of the meeting and commended the members on the large attendance and requested closer cooperation in civic affairs. He, along with Guy Beatty of Morrow County and Joe Wasserbeck of Union County, was among three county deputies recognized at the meeting.

Ten reinstatements and a class for the page rank were announced by the LaRue lodge. Lunch was served by the Pythian Sisters of Zenith Temple No. 144 of Waldo.

—:—

A potluck supper will be held at the next meeting of the Erie Veterans Association Feb. 17. The meeting and dinner will begin at 6:30 p.m. Thursday at the Grotto Hall.

—:—

A donation was made to the March of Dimes by the Auxiliary to Marion GI Post No. 584, American Legion, at its meeting Wednesday at the Veterans Memorial Home. Mrs. Helen Keller presided. The next meeting will be Feb. 23 with Mrs. Keller in charge of the social hour.

YOUTH REVIVAL CONTINUES

Youth revival services in progress at First Wesleyan Methodist Church will continue throughout the week with Rev. John Cole as the preacher. He is pastor of the Wesleyan Methodist College Church at Central, S. C. Music and singing by local young people is a part of each service. The special meetings, open to the public, will conclude Sunday, the pastor, Rev. John Woodward, stated.

Cramer-Crawford Vows Spoken in Local Church

In a candlelight ceremony Friday, Jan. 28, in Forest Lawn Presbyterian Church, Miss Roberta Marie Cramer became the bride of Melton Mitchell Crawford. The bride is the daughter of Mrs. Evelyn Cramer of 265 N. Seffner Ave. and the late G. Ralph Cramer. The bridegroom's parents are Mr. and Mrs. D. W. Crawford of 291 Marion Ave.

Palms formed a background at the altar for two floor baskets of white gladioli. The candles at the altar and in the windows were decorated with huckleberry foliage. Marking the family pews were white satin bows combined with huckleberry foliage.

Officiating for the double ring ceremony at 7:30 o'clock in the evening was Rev. F. E. Kline, pastor. Nuptial music was provided by Mrs. J. W. Baker, organist, and Miss Carol Frayer of Lima, vocalist.

—:—

THE BRIDE, given in marriage by her uncle, D. C. Flanigan, wore a waltz length gown of ice blue Skinner satin. The fitted bodice was outlined with embroidery militaire and the long sleeves ended in points over the hands. The nylon tulle skirt was accented with satin detail. Her shoulder-length veil of bridal illusion was caught to a Juliet cap of pearls and iridescent sequins. Her jewelry was pearls, a gift from the bridegroom, and pearl earrings. She carried a white Bible topped with a cascade of white carnations centered with a white camellia. Also caught in her bouquet was a handkerchief owned by Mrs. Warren G. Harding and now belonging to Mrs. J. W. Baker.

Attending the bride as maid of honor was her sister, Miss Judith Cramer. Her gown of rose satin had a tulle overskirt and a bolero jacket, and she wore pearls, a gift from the bride. Her bouquet was a cascade arrangement of white carnations tied with rose satin ribbon and she wore a band of net with a cluster of feathered carnations in her hair.

Charles W. Lust of Marion served as best man for the bridegroom, and ushers were William Flanigan and Kelly Shelton of Marion.

For her daughter's wedding, Mrs. Cramer chose a dress of antique taffeta in a peacock blue shade with which she combined black accessories. Mrs. Crawford was attired in a mint green silk dress with black accessories. Each wore a corsage of white camellias.

—:—

IMMEDIATELY following the ceremony, a reception was held at the home of the bride's uncle and aunt, Mr. and Mrs. Dale Flanigan of 459 Cherry St. The bride's table was laid with a white linen cloth and centered with a three-tiered wedding cake topped with a miniature bride and bridegroom and encircled with clusters of white pompons and huckleberry foliage. Also on the table were lighted candles held in silver candelabra. The colors rose and white were carried out.

—Photo by Stewart

Mrs. Melton M. Crawford

Assisting were Miss Ruthann Haubert, cousin of the bride, Miss Carol Frayer and Mrs. Charles Lust.

When the couple left on a wedding trip to West Virginia, Mrs. Crawford was wearing a coffee brown linen suit with dark brown accessories and the camellia corsage from her bridal bouquet.

Mrs. Crawford is a sophomore in the college of education at Bowling Green State University and is a student teacher there. Her husband is employed with the Erie Railroad. Both are graduates of Harding High School with the class of 1953.

Out-of-town guests at the wedding were from Columbus, Lima, Chillicothe and Richwood.

At the rehearsal, the couple presented gifts to their attendants. Miss Cramer presented a pearl necklace to her maid of honor, gold compact to the vocalist and a rhinestone brooch to the organist, and Mr. Crawford gave his best man and ushers cuff links and tie clasps.

Cook of Future Will Be Human Button Pusher

NEW YORK (UP) — Better brush up on your executive know-how, ladies. For as industrial designers see your role in the future, running the house will call for as much directive skill as running a corporation.

Your new tools, as forecast by one group of designers, will include a planning desk in the kitchen, an inter-room communications system for talking to members of the family in other parts of the house, a telephone which you can answer without touching and which will take messages if you're not at home when it rings, and a television set which not only will entertain but is arranged so you can check the whereabouts and activities of the children.

All this projection comes from designers for an appliance firm who are out with a 1955 version of the "kitchen of tomorrow," an even more futuristic work area than one they dreamed up in 1954.

The designers say the kitchen is workable now. But some of its features still are in the laboratory stage and not in production. Like its 1954 sister, the new kitchen will be displayed in major cities around the nation.

The designers have almost eliminated the stoop and stretch necessary in most kitchens. Counter space, ovens, cooking and storage facilities either are at convenient height, or else move to the proper height with the push of a button. A motorized serving cart and a tray which hangs from ceiling tracks do away with moving heavy or bulky objects around the kitchen.

The cooking and mixing centers are located so that they can be used either from the kitchen or outdoor dining area. Between the bottom of the wall cabinets and the top of base cabinets there are glass panels which slide to one side on tracks, opening the kitchen to the outdoors.

Reading recipes is easier too. The housewife—or "home manager," as the company's designers refer to her — merely dials the recipe desired and it appears on a screen at eye level.

One whole wall of the dream kitchen is refrigerator space, including a beverage cooler, ice cube maker and water cooler, food freezer, special meat and vegetable storage units. A refrigerated bar can be opened from the patio.

More about that television set. It is mounted on a swivel and will receive normal programs and also pictures from cameras at the front door, in the outdoor play area, the nursery, and anywhere else you want to place them. Push-buttons at various parts of the kitchen control programs choice and also turn the screen in the direction of the viewer. Move from sink to range, push a button, and the TV screen is in position to observe as you prepare the steak and French fries.

At 10,636 feet, Mt. Etna in Sicily is Europe's tallest active volcano.

Church Activities

Plans were made to redecorate a room at the church when the Fidelis Class of the First Evangelical and Reformed Church met Thursday night with Mrs. Walter Purcell on Cherry St. Mrs. Bonar Thompson, president, conducted devotions.

Mrs. Purcell, in charge of the program, presented the topic "Habit of Bible Reading." Contest honors went to Patty Purcell and Mrs. Thompson. Following the meeting, Mrs. Lillian Smith conducted a bake sale.

—:—

For a meeting of Trinity Baptist Ruth Mather Circle Thursday, Mrs. Walter Bibler was hostess in her home at 342 Oak St. Mrs. Harry Francis presided. Devotions were by Mrs. Marvin Weston. Tax stamps were counted. A lunch in keeping with the Valentine season was served. Guests were Mrs. Adrian Bibler and Misses Brenda and Adrianna Bibler.

—:—

Circle 2 of Forest Lawn Presbyterian Church was entertained Thursday night at the home of Mrs. Nell Walker on N. Seffner Ave. Devotions were conducted by Mrs. Naomi Temple who used the topics "God Spoke in History" and "People Harden Their Hearts." Prayer followed.

Three topics from the study book were given by Mrs. Claire Winters. They were "He Shall Give His Angels Charge," "A Flower" and "Wilt Thou."

In the business session, a report was given by the ways and means committee and an article from "The Outreach," entitled "The World Day of Prayer At Home" was given by Mrs. Marie Varner. Entertainment was in charge of Mrs. Dorothy Starner and an award went to Mrs. Temple. The next meeting, March 10, will be with Mrs. James O'Dowd on Spencer St.

—:—

Mrs. Charles Feaver was reelected president of the Calvary EUB Church Women's Society of World Service Thursday night at the Parish House.

India was the program theme, and guest speaker was Mrs. M. L. Dolbeer of Marion who with her husband, Rev. Dolbeer, now pastor of St. Paul's English Lutheran Church, served more than 30 years on the India mission field. She appeared in costume of that country, told of the work in India and displayed products made by Hindu women.

Hindu music was featured, with a vocal solo by Mrs. Irwin Jobe. She sang an Indian version of Psalm 23.

During business, Mrs. C. R. Wendell and Mrs. Albert Goyer were enrolled as new members.

To open the meeting Mrs. Feaver read a poem, and the first part of the meeting time was given over to committee reports. Miss Wilma Click, spiritual life chairman, stressed Bible reading and prayer by members for their prayer partners. For the social relations committee, Mrs. J. W. Baker reported a sum of money given to a local family and funds provided for college students. The need for child evangelism was emphasized and contact with those of other races in order to provide friendly assistance for them.

Mrs. W. L. McKee listed 100 books read in line with the committee's program. Offering of $200 was received on World Service Sunday when Mrs. C. R. Beerbower of Detroit, Mich., was the speaker, according to the treasurer's report.

Children of the church directed by Mrs. Raymond Coleman gave $30 to the mission fund to provide needed milk for children in Japan and $15 for Bibles for India. A memorial was designated to honor Guy Coleman who died recently. Mrs. Lucille Thompson presented a poem and members gave reports of 37 calls made preceding the portion of business concerned with the election of officers which was conducted by the pastor, Rev. C. R. Wendell.

Those chosen to serve with Mrs. Feaver are Mrs. James Smith, vice president; Miss Marie Stull, secretary; Mrs. Grace Zachman, treasurer; and as department secretaries, Miss Wilma Click, spiritual life; Mrs. Baker, Christian social relations; Mrs. McKee, missionary education; and Mrs. Caroline Messenger, young people's work.

Devotions by Mrs. John Ruth were on the book of John. A display of baskets made by Kentucky mountaineers was on exhibit. Announcement was made of a collection of Lincoln pennies at the next meeting. During the social hour the refreshment table decorations were in keeping with the Valentine season.

—:—

An all-day meeting of the Ladies' Aid and Missionary Society at the rural Trinity Lutheran Church was held Thursday to roll bandages for New Guinea missions. Mrs. Donald Heiby was the hostess. Devotions were by Mrs. Doyle Baumgartner and Bible study was conducted by Mrs. William Ullmer.

Rev. Wilbur Budke gave the topic, "Lutheranism Spreads to America." Mrs. Budke, Mrs. Grover Lichtenberger and Mrs. Baumgartner were appointed to purchase a new altar cloth. The next meeting will be an afternoon session at the church with Mrs. Carl Hoch as hostess.

—:—

When the Trinity Baptist Ann Hasseltine Circle met Thursday all day at the church for a work meeting Mrs. Harry Merchant and Mrs. Harwood Taylor were the hostesses. A potluck dinner was served at noon.

Devotions were by Mrs. Donald Conroy. Members voted $5 to the Children's Center at Green Lakes, Wis. A bazaar will be featured at the March meeting.

—:—

Mrs. Raymond Lauer entertained the Dorcas Circle of the Prospect Zion Evangelical and Reformed Church Thursday evening with Mrs. Clyde Beckel as assistant hostess. Program leader was Miss Dorothy Horn and the topic was "Stewardship." She was assisted by Mrs. Fred Gehm and Mrs. Donald Pearch.

Mrs. Otto Knickel read an article on the heifer project from "The Messenger." Mrs. Robert Stuckey, social service chairman, reported receiving thank-you letters from the county home and the Winnebago Indians. During the social hour, Mrs. Knickel won the door prize and Mrs. Earnest Gast won honors in a contest and Mrs. Richard Griffith received the consolation prize. Refreshments were served. Guests were Mrs. Hobart Lepard and Mrs. Joe Clark.

—:—

Hostess for a meeting of First Presbyterian Circle 3 Thursday night was Mrs. Edward J. Ruzzo who entertained in her home on Uhler Ave. Mrs. Lloyd Calhoun presided and a program on India and Pakistan was presented by Mrs. Paul Hoch and Mrs. Elza Hosler.

Devotions were by Mrs. Hoyt Raymond. Informal study of the third and fourth chapter of Hebrews was presented. Mrs. Ruzzo was assisted by Mrs. William Higham, Mrs. James Frew, Mrs. Bruce Humphreys, and Mrs. John Key. Mrs. Irvin Emmons was a guest. For the meeting March 7, Circle 3 members will be guests of Circle 4.

—:—

The Missionary Aid Society of St. Paul's Lutheran Church of Prospect met Thursday afternoon at the home of Mrs. Paul E. Dobberstein with Mrs. Sam Miley as co-hostess. The meeting opened with Mrs. Virgil Lowe reading a poem.

Devotions were by Mrs. Harry A. Lauer. Rev. Dobberstein conducted a memorial for Mrs. G. A. Mueck. The topic for the afternoon was "Lutheranism Spreads to America," which was given by Mrs. Paul Gast. The Bible study was given by Rev. Dobberstein. Twenty-two were present. Mrs. Elwood Almendinger was appointed secretary.

The society will meet with the Katherine Luther Guild March 30 at the parish house for an all-day meeting with a carry-in dish dinner at noon. For the meeting a book review will be given.

The society accepted an invitation to attend The World Day of Prayer Service Feb. 25 at St. Paul's Lutheran Church in Waldo.

Donians, LaRue, Prospect, Claridon Post Decisions

1,724 Fans Watch Seeded Teams Cop Opening Tests

By JOHN SHORT

The favorites came through with wins last night in the opening round of the Marion County basketball tournament. Caledonia and LaRue, co-champions of the Marion County League chase, notched wins as did Prospect and Claridon who finished deadlocked for the third spot.

Caledonia sank Waldo 64-44 in the opening game of the card while Prospect rolled by Pleasant 62-43. In the final half of the opening program LaRue dropped Meeker into the consolation bracket by a 73-63 margin and Claridon jumped into the semi-finals with a 46-22 verdict over Martel.

LaRue had the tightest squeak of the night against Walker Huffman's fired up Meeker Trojans. Ted Dennison's Indians led all the way but was unable to build a comfortable edge until the final part of the fourth quarter.

—:—

THE CO-CHAMP'S took a 16-12 edge in the first stanza and led 36-27 at the half after Larry Hickman and Ray Hosey scored 17 points between them in the second stanza.

The Trojans came back strong in the third stanza and whittled the deficit to one point at one time. Ron Newland bumped in 11 points to spark the Trojans' comeback. LaRue's attack picked up in the fourth period and seven straight points cinched the verdict.

Hickman finished with 24 points to top the winners' attack. Hosey came in with 21 and Keith Cooper netted 11. Newland was high for Meeker with 19 while Jim Hecker hit for 14, Bob Johnson added 12 and Larry Sims 11.

Caledonia jumped into a 20-12 lead in the opening stanza and increased its margin steadily over Waldo. The Donians finished the game with a 48 per cent shooting average from the field. By the halftime intermission they had spurted into a 43-22 cushion. The losers picked up only seven points in the third frame while the Donians were hiking their lead to 51-29 for the start of the final frame.

Doug Whiteamire with 19 points was the big gun for the winners. He was assisted by Gene Rice with 13, Jerry Gorby with 12 and Ervine Hunt with 10. Stan Yake, with 12, led the attack for Waldo.

Pleasant scored only two field goals in the first stanza against Prospect's Bulldogs and fell behind 12-6. Fred McCumber's charges managed to control the boards against the short but scrappy Pandas and built up a 29-14 cushion at the half.

—:—

THE PROSPECT team, favored by many to cop the tourney title, hit its stride in the third stanza to post 22 markers and carry a 51-21 margin into the final period.

Bob Rodgers was the game's top point getter with 17. He was pulled from action with six minutes remaining. George Mosher also was a big gun in the attack with 12 points while Roger Landon hit for 11. Darrell Stoner topped Pleasant's scoring with 14 and Pete Owings netted 11.

Claridon's lanky Hornets blanked Martel in the opening quarter to hold a 9-0 lead at the end of the frame. The taller quintet had complete mastery of both boards throughout the game but was never able to find its regular season scoring stride. The Hornets held a 19-7 cushion at the half and were out from 41-13 at the start of the final period. Martel finished the game with only seven field goals.

Bob Johnston's 14 points for Claridon was the top effort of the game and Gary Row came in with 12. For Meeker, Phil Leathem and Leo Thacker each finished with six.

Last night's losers will be matched in the first two games when tourney action resumes Thursday. Waldo and Meeker will square off in the opener at 5:30 while Pleasant meets Martel in the 6:45 contest. Green Camp will make its first tourney appearance against Caledonia in the 8 p.m. tilt and at 9:15 Morral will be in its initial start against Prospect.

—:—

A TOTAL OF 1,724 paid admissions was reported ofr the opening session. Tornament officials felt the attendance might have been hindered by the snow and icy highways.

County Cagers Begin Post-Season Play

TOURNEY PLAY BEGINS. Claridon's Gary Row and Kenny Barden of Martel go high into the air for the opening tipoff of the second half of their game last night. Bob Johnston (12) of Claridon and Glen Linstedt (1) of Morral await the tip in the foreground. Martel's Leo Thacker is crouching in front of Bob Howser (11) of the Hornets. The Hornets held a 19-7 lead at the time and went on to post a 46-22 decision. The win moved Claridon into the semi-finals on Feb. 22 when it meets the winner of the New Bloomington-LaRue battle. This photo was taken by William R. Diem Jr. of The Star.

San Francisco Retains Lead in Collegiate Poll

By The Associated Press

San Francisco, which displaced Kentucky as the No. 1 basketball team in the nation a week ago, again held the top spot in the Associated Press poll today.

The Dons polled 1,164 points on the basis of 10 for first, 9 for second, etc., on ballots cast by sports writers and sportscasters. Kentucky, rated second, had 847 points a gain over last week.

LaSalle, in third place, also scored higher than last week in points even though the first-place ballots were more widely scattered. The Dons received 61, Kentucky 12, LaSalle 6.

Duquesne's NIT - bound Dukes, again in fourth place, didn't receive, a vote for first place but George Washington, which rose a notch to five, was No. 1 on 10 ballots. Marquette's rambling Warriors, who moved up from ninth to sixth as they stretched their winning streak to 18 games, were put on top by nine.

The remaining first-place ballots were widely scattered as North Carolina State, Minnesota, UCLA and Utah filled out the rest of the top 10. Minnesota, the only newcomer, jumped from 12th to 8th by beating Illinois, which fell from the select group to 14th.

Unanimous Choice

Prospect's Rodgers Tops All-County Cage Ballots

Bob Rodgers of Prospect was the only unanimous choice on the 1955 all-county basketball team chosen by league coaches for the star.

The lanky junior who paced the county league in scoring during the past season was picked on every ballot submitted in the poll. Selections were based on performances in county league play.

Rodgers was joined in the top five vote-getters by two cagers from LaRue's league co-championship squad, one from Claridon's defending county tournament champs and one from Meeker. Caledonia's balanced squad which shared the league title with LaRue failed to land a man among the first 10 places.

—:—

LARRY HICKMAN of LaRue, Ron Newland of Meeker and Gail Castle of Claridon all lacked one vote of being unanimous picks while Raymond Hosey, Hickman's teammate at LaRue, polled seven votes.

Rodgers pumped in 239 points in 10 county league scraps to pace Prospect to a runner-up position behind LaRue and Caledonia in the county league race. He, along with Newland, have another year of basketball eligibility left. Hickman and Hosey were LaRue's one-two punch during the past league chase, Hickman winding up with 223 points and Hosey with 173. Newland, Meeker's main threat, collected 173 points in league play while Castle, one of three cagers on the Claridon squad in 100 or more points in loop competition, shoved in 167.

Five, seniors representing five separate county schools landed berths in the second five selections.

Roger Boles of New Bloomington, Gary Row of Claridon and Mannie Saxton of Morral all attracted six votes while Caledonia's Gene Rice and Bob Emery, Prospect's second-best scorer, both received five votes.

Boles finished third among the county league scorers the past season with 189 tallies. Row accumulated 132 points, Emery 129, Saxton 175, and Rice 146.

Every member of the top 10 player's, with the exception of Emery and Row, was included among the top 10 county league scorers.

Jerry Gorby, who transferred to Caledonia from Pleasant where he was the county league's top scorer last season, was picked on four ballots and lacked one of making the top 10. He pumped in 151 points and ranked eighth in the county league scoring race.

—:—

RECEIVING THREE votes each were Irvin Hunt of Caledonia and Darrell Stoner of Pleasant. Stoner ranked eleventh among county leage scorers with 140 points and Hunt, one of four high scorers on the Caledonia squad, was good for 107.

Also mentioned on the ballots were Bob Dickerson of Caledonia, Harold Wasserbeck of Green Camp, Roy Klingel of Waldo, Floyd Beers of New Bloomington, Bob Hughes of LaRue, Louie Finch of Green Camp, and Kenneth Barden of Martel.

Completely overlooked in the balloting was Claridon's Bob Johnston who was tenth in the county league scoring chase with 141 points. Top scorers among those receiving a vote each were Klingel, eleventh in county scoring with 140 and Dickerson, who trailed Klingel and Stoner with 134.

Jim Sellars of Pleasant, also unmentioned, was right on Dickerson's heels in scoring with 133 markers. Rounding out the top league scorers were Martel's Phil Leathem with 130; New Bloomington's Jack Brinkley with 129; Green Camp's Harold Wasserbeck with 126; Martel's Barden with 121; Green Camp's Finch with 118; Waldo's Rex Henry with 115 and Meeker's Sims with 108.

Ballots were not received from Coach Ted Dennison of LaRue or Coach Bud Young of Green Camp.

SIGNED BY BROWNS

CLEVELAND (AP)—Henry Ford, a halfback from the University of Pittsburgh, has signed a contract with the Cleveland Browns, the club announced today. At 5 feet 10 inches and 170 pounds, Ford is not very heavy for pro football, but has good speed.

Bucks Downed 79-68 by Iowa

CHICAGO (AP)—Minnesota moved closer to its first Big Ten basketball title since 1919 by soundly drubbing Indiana's defending champions, 80-70, last night at Bloomington.

But the Gophers could gain no ground in the race since second-place Iowa kept pace by whipping Ohio State, 79-68.

Illinois, still nursing title hopes, staged a second-half rally to whip Michigan State 90-72 to remain in third place.

In other games, Michigan's improving Wolverines dumped Northwestern, 72-70, and Purdue rolled over Wisconsin 75-63.

Iowa used 16 players to drop hapless Ohio State into a tie for the cellar with Purdue. Four Hawkeyes, led by Deacon Davis' 18

Fights Last Night

Brooklyn — Gene Fullmer, 156, West Jordan, Utah, outpointed Paul Pender, 159½, Boston, 10.

New York — Kenny Lane, 135, Muskegon, Mich., outpointed Jackie Blair, 135, Dallas, 10.

Seek 16th in Row

Undefeated Shelby Cagers To Invade Harding Tonight

Harding bumps into an undefeated Shelby quintet for the second time this season tonight when the Whippets invade the Prexy hardwood in quest of their 16th straight win.

The visitors posted an 82-67 triumph in an early season meeting two months ago and since then have added 10 victories to boost their season mark to 15-0.

Probable starting linep for Shelby, the state's highest scoring A squad, is Lowell Jarrell, 6-1 junior, and Dick Cecil, 6-3 senior, at forwards; Nick Davies, 6-4 junior, at center; and Larry Siegfried, 6-1 sophomore, and Ed Stevens, six-foot senior, at gards.

Siegfried, one of four heavy scorers on the Shelby squad, is pacing the Whippet offense with 265 points in 15 games, an average of 17.7. The soph sensation is supported by Cecil with 243 points, Stevens with 205 and Davies with 201. Jarrell has 116 markers.

—:—

IN THEIR latest success, an 86-56 win over Bellevue Friday night, the Whippets were topped in scoring by Stevens with 25 markers. Davies was close behind with 24. Cecil had 18 and Siegfried added 15.

Cecil, Siegfried and Jarrell were big guns in Shelby's attack against Harding in the first encounter. Cecil dropped in 27 points. Siegfried pumped in 25 and Jarrell totaled 21.

The Whippets were ranked nineteenth in the latest Associated Press high school cage poll and are currently hitting away at an 80-point a game clip.

Prexy Coach Jim Lawler is undecided on his starting linep for tonight's tussle but will probably floor Lowell Carlisle and Ted Bibler or Phil Sykes at forwards; Bob Messner at center; and Joe Snouffer and Gene Armstrong at guards.

Lawler said he might start Bibler in Armstrong's guard slot and leave Sykes, a six-foot sophomore who has played the final three qarters in the past two Prexy starts against Fostoria and Newark, at forward.

Phil Carroll, who has missed the last two Harding tilts while shaking off the effects of the flu, returned to school yesterday but will probably be too weak to start, according to Lawler. However, he is slated to see action.

Messner, who assumed a starting role against Fostoria last Friday after playing reserve ball through most of the season, has been Harding's top scorer in the past two outings with 29 points. Snouffer has hit for 24, Sykes for 15 and Carlisle for 14. Bibler has 12 and Armstrong, who also moved into a starting role against Fostoria, has accumulated 11.

—:—

CARROLL IS the top scorer on the Harding varsity with 169 points. Snouffer has hit for 160, Carlisle 101 after taking over as a regular against Springfield in the Prexies' sixth contest of the season, Messner 89, Bibler 74 since playing regularly since mid season and Ted Firstenberger, who wil also see action tonight, 67.

Harding takes a 5-12 mark into tonight's fray after dropping a 50-48 heartbreaker to Newark Saturday night. Following tonight's tilt, the Prexies will continue their home appearances by entertaining Fremont Ross Friday in the Harding gym before traveling to Sandusky Friday, Feb. 25, for their final reglarly scheduled season game.

Harding's JayVees lay their 15-2 season mark on the line against Shelby's rugged futures in the preliminary reserve opener. The Vice Presidents, strengthened by the return of Paul Bender and Mike Shields, squeezed past the Whippet reserves 64-62 in their last meeting.

Mohawks Bid At Clincher in IHL Campaign

By The Associated Press

The Cincinnati Mohawks, stung by their worst defeat in three years in the International Hockey League, aimed today at wrapping up the IHL crown by the weekend.

Secondplace Troy crushed Cincinnati 10-2, pushing through six goals in the last period, for the record drubbing.

Player-Coach Roly McLenahan takes his Mohawks into action Thursday night against last place Johnstown, Saturday night against Fort Wayne and Sunday against Toledo. After the trio of tilts, Cincinnati will have only nine more games to go of the 60-game schedule.

Troy picked up two games on Cincinnati but still is 7½ behind with 10 games to go.

Grand Rapids won both of its contests last week to keep its hold on third place. Fort Wayne moved up to fourth—the last berth for the IHL playoffs—by blanking Toledo 3-0 and trimming Johnstown 7-5. However, Fort Wayne is only a half game ahead of Toledo, which has three more games to play than the Hoosiers.

Army Sergeant Waits Ruling of Court Martial

Veteran Facing Charge Of Collaborating With Communists in Korea

FT. BRAGG, N.C. (AP) — Army career Sgt. William H. Olson, charged with collaborating with the enemy while a prisoner of war in Korea, today awaited the decision of a general court-martial on a defense contention that he is psychotic.

Olson, 40-year-old veteran of two wars and a prisoner of the enemy in both, was described yesterday as a man with a split personality and a persecution complex, who had shown suicidal tendencies.

Capt. Lester I. Abend, a Ft. Bragg psychiatrist, told the court that a conviction would increase the suicidal tendency. Maximum penalty under military law is death.

Other psychiatrists gave conflicting testimony.

Dr. Hann Lowenbach, Duke Hospital psychiatrist, said from his examination of Olson he found no evidence of Schizophrenia or inability to distinguish wrong from right.

A report submitted by a Walter Reed Hospital board concurred.

Dr. Lowenbach added however that he found the defendant "very anxious, insecure and tense" but capable of expressing himself coherently.

Olson, a native of Youngsville, Pa., whose family lives at Lumberton, N. C., was a prisoner of the Germans during World War II and for 33 months a prisoner of the Communists in Korea.

He is charged with making derogatory statements about the United States, making pro-Communist recordings and informing on fellow POWs while a prisoner in Korea.

Quartet, Organist Give Concert for Local Music Club

Marion and Bucyrus musicians presented here Monday night by the Lecture-Recital Club in a public Parade of American Music concert were the Buckeye Four quartet, winners of Eagles Lodge national barbershop quartet honors, and Mrs. Jenola Ackerman, Bucyrus organist. The program was presented in the Recreation Room of First Presbyterian Church.

Both the men's group and the organist with their variety of numbers drew applause to which they responded with several encore selections.

"Lead" for the quartet was William Cowles who, at the end of the second number by the men explained to the audience technicalities of barbershop type singing. Arthur Ward, baritone, supplied a commentary on the numbers, and in various selections the tenor, Hubert Hoch, and the bass, Robert Heimlich, were featured performers. Ushers were Nancy Boger and Linda Schwab of the Youth of Lecture-Recital Club.

The final public program of the Lecture Recital Club season will be an Easter vesper musicale by the Lecture-Recital Chorus directed by Prof. Robert Bowlus of Ohio Wesleyan University and set for the afternoon of March 27 in First Presbyterian Church.

PREFER GIRLS' NAMES

WASHINGTON (AP) — The U.S. Weather Bureau says it will continue to use girls' names to identify East Coast hurricanes despite occasional public protests. They're "short, easily pronounced and readily recognized," the bureau said.

Company Cuts Auto Insurance Collision Rates

COLUMBUS, Ohio (AP)—A reduction of from 15 to 35 per cent in collision rates for adult policyholders in Ohio was announced today by the Farm Bureau Mutual Automobile Insurance Co.

The company said that through the reduction, some 30,000 Ohio automobile drivers will save $1,400,000 annually on passenger car collision premiums. The lower rates take effect March 1.

At the same time, the company said it will lower collision rates for male drivers under 25 from five to 28 per cent. Women drivers under 25 will receive the same reductions as adults, however, since the company recently reclassified youthful female drivers as adult risks.

Bowman Doss, executive vice president of the company, said the cut in collision rates is possible "because our Ohio policyholders are turning in fewer claims now. The drop in claims frequency more than offset a rise in repair costs."

Firm Forms Subsidiary

MANSFIELD — The Kirby Steel Co. of Anniston, Alabama, today announced formation of a subsidiary, the Krop-Kare Products Division, which will have general sales offices and a warehouse in Mansfield.

The new division will manufacture and merchandise a line of steel grain bins plus corn cribs, crop driers, crop handling equipment, testing equipment, and general purpose farm buildings.

Steals Same Car Twice

HOLDENVILLE, Okla. (AP) — Oscar Harjo, 19, was charged with stealing the same car from the same used car lot two different times. The judge let the sentence fit the crime and gave Harjo two two-year terms—to run concurrently.

In a recent Pennsylvania sample school survey, 1 child in 5 had bad tonsils, 1 in 10 had defective vision, 3 in 100 had heart defects and 77.9 per cent had one or more teeth that needed dental care.

Traffic Cases In City Court

Fines totaling $150 were assessed eight drivers on traffic charges in Marion Municipal Court Monday.

Three of the drivers were each fined $25 and costs on different charges. They were: J. W. Williams, 19, of near Marion; speeding; P. E. Cranston, 27, of 400 Michigan Ave., failure to register a motor vehicle; and C. O. Penny, 25, of 612 Henry St., illegal parking on highway.

Each of the other five drivers was fined $15 and costs and some of the fines were later suspended for various reasons. The drivers and charges were: D. E. Elkins, 25, of 390 Commercial St., failure to yield the right of way; J. B. Jones, 26, of Highland, Mich.; failure to display registration, fine and costs suspended; Richard L. Danneberger of near Bradner, speeding; James E. Stocker, 23, of Lockbourne AFB, Columbus, driving left of center, fine and costs suspended because he is a member of the armed forces; and Ray Gatewood, 66, of near Caledonia, no turn signals on truck.

Conduct Charges Bring Arrests of 2 Local Men

Two Marion men were arrested Monday by city police on separate charges of disorderly conduct.

One of them, Lester J. Gates, 25, of the rear of 200 Sharp St. pleadcd guilty in Municipal Court today and was fined $25 and costs. His fine was suspended on condition he pay the costs and not come before the court again on a similar charge.

The other man, Elmer W. Conkle, 28, of 201 E. George St., is to appear in court for a hearing at a later date.

Marion Area Hospital News

CRESTLINE
Emergency Hospital

Admitted: Mrs. Clarence Shearer, Crestline; Jackie Tredico, Galion; Harry Brimmer, of Crestline. Released: Mrs. Robert Walker, of near Mansfield; Mrs. M. G. Barber, Bucyrus, to General Hospital in Mansfield; Susan Eccleston, Crestline; Mrs. James McKee, North Robinson. Births: A daughter to Mr. and Mrs. Joshua LaFerty, Crestline.

SEEK TO EXPAND LINES

WASHINGTON (AP) — Texas Gas Transmission Corp of Owewnsboro, Ky., has asked power commission approval of a $17,498,519 construction project to expand its natural gas pipeline system in Ohio, Indiana, Kentucky, Tennessee, Mississippi and Louisiana.

Do Fat Women Make Good Wives?

Most husbands prefer their wives to be smart and slender. So if you are overweight you will be interested in the experience of Mrs. Mary H. Christian, 215 Rose Blvd., Akron 13, Ohio. She writes: "I was quite overweight and felt bloated and uncomfortable until I happened to hear about Rennel Concentrate and decided to try it. In less than a month I lost 15 lbs. Now I am happy and feel so much better. Even that stuffy feeling disappeared. You see, my husband is an artist and I can't afford to let myself go. He would be very unhappy. From my own experience I can truthfully say that if you want to be trim, do it the Rennel way."

Thousands of others have overcome the social and physical discomfort of being overweight with this effective home recipe. It's easy—no trouble at all and costs little. Just go to your druggist and ask for four ounces of liquid Rennel Concentrate. Pour this into a pint bottle and add enough grapefruit juice to fill the bottle. Then take two tablespoonfuls twice a day. That's all there is to it. No diets to complicate your meal planning. No expensive vitamins to fortify your system from weakness while going without food for you can eat normally. It's the very first bottle doesn't show the simple easy way to lose pounds of bulky fat and help regain slender, more youthful curves — if reducible excess fat doesn't seem to disappear almost like magic just return the empty bottle to the manufacturer for your money back. Insist on and be sure to get Rennel.

Do You Have Enough Hot Water?

If you are like many families, your water heater will "leave you cold" when you do the laundry... or while washing the dishes... or after several baths have been taken.

You Need an Automatic Laundry-Rated Gas Water Heater.

Families are using more and more hot water every year. They have more automatic laundries, automatic dishwashers, bigger families, and more shower baths than ever before. Even though your present water heater may be gas-fired and automatic, it can still be inadequate for your present needs. Be sure your next water heater is Laundry-Rated.

Laundry-Rating is a scientific method for determining which water heaters will meet your hot water requirements.

Quantity, temperature, and availability of hot water are the three prime considerations in selecting a water heater for your family. Matching these three factors to your individual requirements assure you the best hot water service available.

Stop at Your Gas Plumber-Dealer or The Gas Company for complete information.

If you need more and hotter water at your house, then now is the time to get the complete story on laundry-rated automatic Gas Water heaters. You'll be glad you did.

Political Issue

By George Sokolsky

The question could be raised as to weather a television show, sponsored by a commercial concern selling a product, is propaganda or entertainment. If it is entertainment, the listener can decide whether it is a good show or not, if it is propaganda for a cause the question of the sponsor's responsibility must arise

SOKOLSKY

"Variety" reports that the British Granada circuit "is in the midst of wrapping up a deal" to show an extended version of Edward R Murrow s interview with J. Robert Oppenheimer to be shown as "a theatrical exhibition" in the United Kingdom. "Variety" says

"While the Murrow-Oppenheimer teletalk was the usual half-hour, the show shot about three hours of footage with the world famed bossman of the Institute for Advanced Study at Princeton A one-hour edition is being made available via the Fund for the Republic for distribution to colleges and universities ."

--

THE FUND FOR the Republic is an offshoot of the Ford Foundation which gave it 15 million dollars of tax free money Such funds cannot legitimately be used for commercial or political purposes or to advertise individuals or cars It can only be employed for educational purposes

If a telecast is to be distributed to defend J Robert Oppenheimer, it can only be legitimate as a venture in education and as such would have to be objective

Murrow s telecast was obviously not designed to be an objective study, rather, it was an opportunity for Dr. Oppenheimer to state his side and his side alone of a vexed question To be objective, Adm Lewis Strauss or someone else designated by the Atomic Energy Commission should have been present on the same program, at the same time, speaking to the same audience, to present the data available to the Atomic Energy Commission, upon with it based its findings which caused the separation of Dr. Oppenheimer from that body.

It is not understandable how the Fund for the Republic gets into this at all. The theory that the donors of the money can spend it as they choose is untenable, because it is tax-free money which can only be spent for purposes which justify the relaxation of income tax or inheritance tax provisions in the law Propaganda for Dr Oppenheimer does not come within that scope any more than propaganda for Marilyn Monroe would

--

THERE COULD BE no objection to using tax free money for objective education but the Oppenheimer case, presented by one side only, is not objective, it is a political issue

Dr Oppenheimer is a scientist of extraordinary ability also he is a linguist Men of knowledge speak of him with profound respect The testimony in his hearing would show that Dr Oppenheimer is also capable of evading the truth about himself, of using the rule of reason rather than a moral absolute of truthfulness when it suits his purposes

Carelessness of this type made him unavailable for government employment in his field at a time when his genius ought to be available to the American people

There can be no question but that some day Dr Oppenheimer will straighten out his contradictory and complex story and will void the doubts which beset those who stand in awe of his abilities This will not be accomplished by propaganda but by a truthful account of the meaning of the discrepancies in his testimony.

--

THE VIOLENCE OF the propaganda in his favor does this scientist no particular good It is press-agenting by amateurs who fail to appraise the reaction to their efforts They give the impression that they believe that a wrong can be righted or a cause justified by sheer pressure which while it may work in selling soap, has never been successful in projecting ideas

The Fund for the Republic, however, is not entitled to use tax-free money to engage in propaganda professional or amateurish In fact, from observation of its work, it is difficult to understand why it is permitted to use tax free money at all

Surely men may band themselves together to advocate any cause which is not forbidden by such a law as the Smith Act, but may they use tax free money for it?

Would the Treasury for instance permit the use of tax-free money for a Society of the Propagation of the Theories of Mark Hanna?

(King Features Syndicate)

Reds' Pawn

By Victor Riesel

Harvey Matusow, the liar for hire, is a rather shoddy pawn in an international game which has not yet been fully exposed On him rests the Commintern hope of keeping its top American agents from going to jail again for 10 years.

VICTOR RIESEL

To understand the role of this shabby man, you need a look at the federal prison records These show that in less than three weeks, on March 1 to be exact, five members of the Communist party's National Committee will have served their prison terms for conspiring to teach the violent overthrow of the government They were jailed on a five-year sentence under the Smith Act

The government has been planning to re-arrest them. This time under the Smith Act section which provides a 10-year penalty for being a member of the Communist party.

--

THE COMMUNISTS CAN'T afford to have these men out of circulation—for they include party strong man Eugene Dennis, party labor boss John Williamson, and the tough John Gates.

The Communists, therefore, want to whip up noise against any further arrests—by exploiting Matusow's meanderings The strategy is to discredit all anti-Communist witnesses by creating them in the image of this weird character

So at the end of this past week the Communist party high command directed all its people to begin issuing releases and to get statements from local personages protesting against all Smith Act prosecutions

They are to seek to set aside the verdicts on the grounds that the testimony against the Communist leaders was all perjured . .

Out of a closed meeting in the Capitol last Tuesday afternoon Feb 8, will come coordinated congressional probe of subversive activities Senatorial and House investigators will no longer overlap and duplicate their searches Rep Francis Walter, head of the House Un-American Activities Committee, and Sen John McClellan, head of the Senate Permanent Investigating Committee, met with Sen James Eastland, head of the Internal Security subcommittee, in Eastland's office.

They decided on the closest cooperation to avoid overlapping probes of the underground In fact, the McClellan committee will stick pretty closely to investigations of subversive activity in government agencies. the three congressmen will again meet and decide which committee will go into that particular underground activity Now how about someone going after the Communist-Crime Syndicate combine? . .

--

OVERSHADOWED BY the news of the AFL and CIO merger was the AFL high command decision to try and crack down on welfare fund crooks Fast-buck artists took a big cut of some 5 million dollars worth of commissions paid by insurance companies last year to those who brought them labor welfare and pension fund business

Charged with cracking the crooked combine inside labor is a three-man committee headed by the peppery little Ladies Garment Workers Union chief, David Dubinsky His co-committee members are the machinists' Al J Hayes and the carpenters' Maurice Hutcheson They're going to look into the 11 international AFL unions who place hundreds of millions of dollars worth of insurance a year . .

Some two weeks ago Lee Minton, head of the AFL's Glass Bottle Blowers Union found on his desk a personal letter from President Eisenhower It was an invitation to dinner for the night of Feb 7 Minton went although he had just turned down an offer of appointment as assistant secretary of labor of the U S because he disagreed with the Republicans on some issues

He reports that in an informal, free-swinging conversation with Ike he found the President well versed on the need for aid to labor and on geo-politics And Minton and the President both had a strong distaste for Fascist South American regimes . .

Keep your eye on the trial of Henry (The Dutchman) Grunewald That case in New York's Federal Court can crack wide open the interlocking network of Mr Bigs behind the mobs and some unions Two prominent labor chiefs —one dead one now internationally famous—may be brought into the testimony.

--

PRESSURE FROM John Lewis on congressmen from coal states—where there are hundreds of thousands of jobless—will soon result in the opening of the government huge surplus food warehouses Hundreds of millions of tons of wheat wheat flour, cornmeal, butter, cheese, dried milk and dried beans will soon be made available to the unemployed—free and in quantity to each near-hungry family . .

It s heartwarming to watch new magical industries open up thousands of jobs There is, for example, the latest type of radar "gadget" It is an off-shore man-made island—a platform riding the waves somewhat like the floating oil wells used off the Gulf Coast These floating towers will make up a warning net to flash news of invading enemy aircraft Up to 30 men will be able to live on the platform each of which is costing the Navy about 5 million dollars To build one will take some 600 to 700 men The Navy is contracting for 30 of the "radar islands"—providing 18 000 new jobs for the CIO Marine Shipbuilders Union.

(Post Hall Syndicate)

Pavement Plato

By Hal Boyle

NEW YORK Curbstone comments by a Pavement Plato

Doctors now say it is easier to lose weight by skipping bread than skipping rope

HAL BOYLE

They play down the role of exercise and play up the importance of self-restraint at the table But are human bodies as predictable in the way they burn up calories as an engine is in its consumption of gasoline? I doubt it

People not only vary in the rate they utilize food An individual himself, it seems to me, varies considerably in this respect from time to time, depending upon his mood and outlook Certainly a given amount of liquor will affect a man differently at different times. Why not food?

--

COULDN'T THERE BE days, depending on how your body was functioning, when three malted milks would put half a pound on you, and other days when they wouldn't add an ounce? A human being reacts invariably like a scientific formula,, so why should we be treated dietwise as if we were all identical measuring cups?

Several times recently, for example I have come across the statement — by those minimizing the role of exercise in taking off weight — that a man would have to walk 34 miles to consume the calories in a pound of fat

What so-called scientist ever figured that out except in a laboratory? I will bet any fat middle-aged doctor that if he gets out on the highway and walks 34 miles every day for a week he will take off more than seven pounds—he can eat or drink as much as he wants to during that week

It's a safe bet How many doctors are there today who walk 34 miles in a month?

(Editor's note Or swivel chair writers, for that matter?)

A man who spends more time bragging about his children than talking about his own dreams is regarded as a fond parent But it doesn't necessarily follow that he is Often it is only a sad admission that he secretly has lost all hope of getting ahead himself. '

There is one sure thing about the puzzling crisis in China—while we're doing most of the brooding, they're doing most of the breeding

---

Anybody can be the toast of the town if he has the right kind of dough.

An oldtimer recalls it used to be a problem to keep wandering cows off Broadway Now it's crowded with calves, and nobody minds at all

---

What cynic was it that said he didn t intend to leave any money behind, because he didn t want any smiling faces at his funeral?

If animals could learn to talk the first phrase their owners would try to teach them would probably be 'thank you " But most animals would prefer to start their vocabulary with another word — "help

Three Schools Accept Invitations to NIT Play

NEW York (AP)—The field for the National Invitation Basketball Tournament was half filled today with six more teams still to be named for the post-season event

Louisville (16-6), Manhattan (14-3) and Niagara (14-5) accepted bids yesterday to compete in the Madison Square Garden classic March 12-19 The NIT previously had selected three other independent teams — Duquesne Dayton and Cincinnati All six teams have participated in the NIT before

Belts Whetstone

New Washington Captures 22nd in Crawford Tourney

BUCYRUS — Favorites won opening rounds of the Crawford County Class B tournament here last night as undefeated New Washington chalked up its 22nd straight win. Trimming Whetstone, 64-54, while Sulphur Springs was whipping Leesville, 63-32, and Chatfield was toppling Tiro, 70-53

New Washington s win put the Pirates into a semi-final berth They will play the winner of Thursday night s game between Sulphur Springs and Holmes-Liberty.

In other games Thursday night, Tiro and Whetstone play a consolation bracket tilt and Lykens and North Robinson meet in the championship flight

Whetstone managed to play New Washington almost on even terms during the last three quarters but they trailed 15-6 going into the second period and New Washington held a 10-point margin most of the time Gene Van Orsdall led the winners' scoring with 20 followed by Paul Yanka with 15 Larry Guttenberg got 24 for Whetstone with John Ehmann getting 14

Sulphur Springs defending tourney champs had little difficulty with Leesville Center Terry Miller was high point man for the session with 25 It was Sulphur s 13th win in 18 starts and Leesville s 12th loss in 16 outings

Chatfield, led by Pal Kanney with 23 points, handed Tiro its 15th straight loss against no wins The victory was Chatfield's 8th in 18 games Forward John Sand racked up 24 for Tiro, 16 of them in the first half

SULPHUR SPRINGS 62

Minnesota Star Takes Scoring Lead in Big Ten

CHICAGO (AP)—Dick Garmaker of Minnesota is the new leader in the Big Ten basketball scoring race following the departure of Ohio State's Robin Freeman

Garmaker has a total of 448 points in 18 games to take the lead, but Indiana's Don Schlundt follows closely with 435 points

Schlundt however, has played in 17 games and has a 25 5 average to 24 8 for Garmaker

Freeman, with 49 in 13 games for a 31 4 average, has given up the game for the rest of the season because of illness and injuries.

135 Not Signed With Training Start Nearing

By ORLO ROBERTSON
Associated Press Staff Writer

With spring training due to start March 1, a survey by The Associated Press today showed that more than 135 major league players have not signed contracts Many of them are among the sport's stars.

The unsigned list includes Ted Williams, whom the Boston Red Sox hope will change his mind about retiring; American League batting champion Bobby Avila of Cleveland, Sal Maglie, pitching ace of the world champion New York Giants, hard-hitting Eddie Mathews of the Milwaukee Braves the Phillies' Granny Hamner, Richie Ashburn and Curt Simmons, the Yankees' Mickey Mantle, Avila's teammates Larry Doby and Early Wynn; Minnie Minoso of the White Sox, Boston's Jim Piersall, Bob Porterfield, Mickey Vernon and Eddie Yost of Washington, and Jim Finigan, star third baseman of the Kansas City Athletics.

For the most part, however, the clubs are not worried Unsigned players are not considered holdouts until March 1 Several have said they have just delayed in signing and will be on hand when the first ball is thrown out.

The White Sox have the smallest list It consists of just Minoso, who wants a $20,000 raise. He reportedly is getting just under $30,000

The Indians," with one of the longest lists, are not looking for any real contract trouble

It is believed that Avila, Doby and Wynn and the club are about $5,000 apart.

Neither is the Giants' front office too much concerned over Maglie Only a minor difference is said to be keeping them apart. The Yankees expect Mantle in the fold within a day or two

NEWSPAPERARCHIVE®

Police, Patrol Report Eight Minor Mishaps

Six minor traffic accidents were investigated Monday by Marion police. State highway patrolmen reported two minor accidents on county roads.

A car driven by D. S. Crates Sr., 32, of 462½ S. Prospect St. crashed into a tree in front of 881 E. Church St. at 5:15 p.m. Monday. He told police his car skidded on the ice.

Harold William Hirneise of 380 Park St. was arrested on a charge of reckless driving when his car collided with another on Bartram Ave. at 11:44 p.m. Monday. The other car was driven by Jefferie Gamble, 26, of 1204 Bryant St. Hirneise is to appear in Municipal Court on the charge Wednesday.

A parked car owned by Dorothy Haskins of 707½ E. Church St. was struck in front of 704 E. Church St. at 4:52 p.m. Monday by a car driven by D. A. Holtz, 18, of 328 Carner Ave. Holtz sai his car skided on the icy pavement.

Each of the remaining three collisions in the city caused less than $100 total damage, police estimated.

Two Accidents in County

No one was injured in two minor accidents investigated Monday by state highway patrolmen.

About five feet of farm fence owned by Key Stafford of near Marion was damaged when a car driven by Stocker J. Ester, 24, of Flint, Mich., struck it at 8 a.m. Monday.

The accident occurred on Route 23 about one mile north of Marion. Ester was southbound at the time. No apparent damage resulted to the car. Ester, arrested on a charge of driving left of center, was given a suspended fine of $15 and costs in Municipal Court Monday.

The second accident happened at 7:15 p.m. on Route 30-S just east of Route 203. An eastbound car driven by Gary N. Hudnall, 19, of Morral, struck another eastbound car driven by Lloyd F. Schiller, 59, of near Marion. Hudnall told patrolmen he hit a slippery spot after he applied his brakes.

Minor damage resulted to the front end of the Hudnall car and to the rear end of the Schiller car.

Report 2 Galion Offices Ransacked

GALION — Reports of two breaking and enterings sometime early today were given to the Galion city police department.

A glass in the rear door of the Galion Lumber Co., 408 S. Market St., was broken and intruders attempted unsuccessfully to open the safe. The manager of the firm said there was no money kept in the safe, however. Small tools were reported missing.

At the Hoekstra Coal and Supply Co., 228 E. Parson St., a rear window was pried open and the office ransacked. Small change amounting to about $28 was reported missing. Intruders left via a front door which was discovered standing open this morning.

Both break-ins were discovered this morning when employes reported for work. Police said they occurred sometime after 1:30 a.m. today when the regular check was made.

Engineers

(Continued From Page 1)

bers of the union a flat increase of five cents an hour on daily rates. Brown said the union would not agree to arbitration this year.

The BLE says engineers average $544 a month if figures are computed one way, or $592 if computed another, depending on how you measure the number of men on duty in a given month.

Weather Report

Fair tonight, low 20-30. Wednesday some cloudiness, little change in temperature.

OHIO FIVE-DAY FORECAST

Temperatures will average two to six degrees below normal. Normal maximum 37 north, 40 south, normal minimum 21 to 25. Warmer Thursday, somewhat colder Friday and Saturday, and warmer again Sunday. Rain or snow northeast portion, and showers south and west portions Thursday.

Members of Sales-Ad Club Honored

BARNEY BIGLER (left) and R. T. Mason (center) accept congratulations from John House, president of the Marion Sales-Ad Club, for having won awards of the Fifth District of the Advertising Federation of America. Bigler, who is editor of the club's pamphlet "Ad-Denda," was presented an award for excellence of the publication, judged second best of those entered from the three-state district. Mason, president of the Marion Broadcasting Co., was named district "man of the year" for community service. The awards were presented at a district convention in Dayton.

Quizzed in Federal Court

Matusow Denies Attempt To Shake Down Prober

NEW YORK (AP)—Harvey Matusow has denied asking a Senate investigator for a $1,000 loan and saying he would raise some money "by hook of crook."

Matusow conceded in cross-examination in federal court yesterday that he was nearly broke when he made a deal to write a book about giving false anti-Communist testimony.

In answer to questions posed by U.S. Atty. J. Edward Lumbard, Matusow also acknowledged that after he signed an affidavit retracting testimony against 13 Communist leaders he was given a contract that increased his share of proceds from the book.

Lumbard said his questioning was to find out whether Matusow would "do anything for a buck."

Matusow was examined before Federal Judge Edward J. Dimock at a hearing on an application for a new conspiracy trial by 13 convicted second-rank Communists. They have based their appeal on Matusow's affidavit retracting his testimony.

For several years Matusow has appeared as an ex-Communist at government trials and before investigating bodies. He now says much of his testimony at these hearings was false.

The Senate investigator who figured in questioning of Matusow yesterday was Daniel Buckley, a former member of the staff of Sen. McCarthy's Investigations subcommittee. Matusow denied telling Buckley that the forthcoming book would "destroy" him.

Lumbard then asked: "Didn't you ask him (Buckley) how much it would be worth to him for you not to use his name in the book?"

"I might have said that, but if I did it was said jokingly," Matusow replied.

However, Matusow answered with an emphatic "No, I did not," when Lumbard asked, "Didn't you say you were dead broke and were going to get money by hook or crook and didn't you ask Mr. Buckley for a loan of $1,000?"

Matusow has also retracted testimony he gave in the trial of Clinton Jencks, an official of the independent United Mine, Mill and Smelter Workers Union. Jencks was convicted of lying when he denied that he was Communist.

Lumbard asked if Jencks' union had not increased its advance order for Matusow's book from 2,000 to 6,700 after Matusow gave him an affidavit retracting his trial testimony.

Matusow, whose book is to be published soon by Cameron and Kahn, Inc., answered that was probably true.

Legislature

(Continued From Page 1)

tion of a big parking garage under the Statehouse grounds.

The 1,339-bill total eclipsed by 161 the modern record of 1,178 set two years ago by the 100th General Assembly. Old timers around the legislative halls recall some 1,100 bills were introduced in the House alone in 1902—back in the days when the Legislature settled such things as line-fence disputes. It doesn't handle such matters today.

A new system of bill introduction in the House of Representatives — adopted within the last month — provided an interesting sidelight to last night's frantic activities.

Speeds Up Action

The new system lets House members present their bills to the House clerk's office in advance of a session, to allow for numbering and other clerical work. The upshot was this:

The introduction of the first 219 bills which were presented in advance took only 43 minutes of the House's time; it took 77 minutes to introduce the other 88 from the floor in the traditional manner.

This is the first time in 16 years the Senate has observed a bill - introduction deadline. The avowed purpose was to discourage legislators from offering their minor bills—the "cats and dogs" measures.

But the cats and dogs refused to be shut out.

Some of the major bills introduced last night would:

Appropriate five million dollars to complete the north wing of the Ohio State University Hospital.

Prohibit persons in Iron Curtain countries from inheriting Ohio property.

Require the highway director to plan maintenance and construction two years in advance.

Sets Pay Minimum

Set minimum pay of county treasurers at $3,600 a year and top at $12,000; now $2,600 and $8,400.

Extend state law prohubition against closed meetings of public bodies to cover all local governmental groups.

Increase pay of all state employes by $25 a month.

Repeal axle-mile tax on big trucks, substitute special gasoline tax.

Require outer edges of state highways to be painted with white line.

Prohibit strikes until union members have voted approval.

Give police powers to liquor agents in gambling, narcotics and prostitution cases.

Appropriate $75,000 to add to Steubenville National Guard Armory.

Set range of prosecutors' salaries at $5,000 to $13,500.

Require highway director to ask bids on alternative types of construction.

School Construction

Appropriate 15 million dollars for school construction and repair.

Create municipal courts in Fremont, Elyria, Chardon, Wapakoneta, Van Wert, Troy, and Celina.

Remove Clearcreek Twp. and village of Millersport from jurisdiction of Lancaster Municipal Court.

Declare any married person, regardless of age, capable of entering into contracts.

Advance all state employes one step in salary brackets.

Exempt medicine from the levy of the sales tax.

Require county auditors to assess property by tax commissioner's rules.

Authorize broadcasting or televising of any court or legislative proceedings.

Prohibit sale of intoxicants in food markets.

Require farm equipment on highways at night to have blue flashers.

Cut working hours of children and public works employes to six a day.

Local Appropriations

Increase local government appropriation from 20 to 24 millions for two years.

Require legislative approval of all proposed turnpikes.

Levy sales tax of one cent on purchases between nine and 40 cents.

Permit five per cent of voters to petition for an election to establish a municipal court.

Increase top salary of coroners from $7,200 to $12,000.

Appropriate $1,935,000 for state rehabilitation center for disabled.

Require designation of entire counties, instead of cities, as relief areas.

Dissolve Scioto - Sandusky Conservancy District.

Increase workmen's compensation maximum from $32.20 to $38.50 a week.

Permit give-away newspapers to accept legal advertising.

Create state school building authority to build schools and lease them to school districts.

School Board

(Continued From Page 1)

$158.50 a month, depending on experience. Brown pointed out the cooks had not asked for the pay increases but he felt hikes should be granted because of the extra work which cooks were called upon to do.

The board also hired five new employes. They were Mrs. Imogene Minshall, Brown's secretary, at a salary of $250 a month; Miss Pat Heller, switchboard operator and clerk at the schoolboard office, at a salary of $150 a month; Mrs. Daryl Schindler, cafeteria accountant, at a salary of $215 a month plus $12 a month travel allowance; Mrs. Mildred Sanders, cleaning woman at Oakland School, at a salary of $76 a month; and Wallace Warner, general maintenance man and substitute custodian, at a salary of $250 a month.

—:—

IN OTHER ACTION, the board:

Approved the trip of Cecil Gabler, Harding High School principal, to Atlantic City for the meeting of the National Association of High School Principals from Feb. 18 to 23.

Approved the trip of Harold Edwards, director of instruction, to Chicago to attend a conference of the Association of Supervisors and Curriculum Development from March 6 to 10.

Recommended that the instructional staff be permitted to participate in the teachers' Business, Industry and Education Day to be held Feb. 21.

Granted Mrs. Mary Salisbury, instructor of instrumental music at Mark St. and George Washington Schools, one-half day extra work a week at the rate of $10 for the half-day. She had been working one-half day a week in each of the schools.

Dismissed Miss Pauline Parks, cleaning woman at Oakland School, because of unnecessary absence from her job.

The board also discussed the recent wave of juvenile delinquency in the city but knew of no action which could be taken to relieve the situation, since the offenses happened after school hours.

Brown pointed out that in order to avoid a tragedy such as happenned at the Business, Industry and Education day last year, this year there will be a Chamber of Commerce official at the front and rear of every caravan of cars going to and from the plants. Last year, a Harding senior was killed when the car in which she was riding was involved in an accident near Green Camp.

Two Brush-Moore Newspapers Given Awards in Contest

CHICAGO (AP) — Two newspapers owned by Brush-Moore Newspapers, Inc., were among three Ohio winners in the annual typography contest conducted by the Inland Daily Press Association.

The Canton Repository was awarded first place in its class (25,000 to 75,000 circulation) and The Salem News won honorable mention among papers under 10,000 circulation printed on rotary presses.

The third Ohio winner was the Columbus Dispatch, which was second among papers over 75,000 circulation. Awards for outstanding typography were made to 25 newspapers published in 40 states. There were 228 newspapers entered.

The awards were presented today at the annual Inland Press meeting by Dr. Albert A. Sutton, chairman of the graphic arts department of the Medill School of Journalism at Northwestern University.

TOUTING TEXAS

AUSTIN, Tex. (UP) — A bill was introduced in the current session of the Texas legislature to put the slogan "Tremendous Texas" on automobile licenses plates.

Local Physicians Continue Research Into Heart Disease

Marion physicians are among a research group continuing a fight against heart ailment carried on in co-operation with the Central Ohio Heart Association.

A progress report of the association lists among the researchers into the complicated projects being undertaken three Smith Clinic associates, Drs. Philip W. Smith, Hugh A. Cregg and Charles W. Wilson studying diagnosis of certain types of heart disease; and Dr. William B. Leffler who is directing a study of resuscitation of the heart in cardiac standstill through facilities of Marion General Hospital.

Marion's contribution as a community to the Central Ohio Heart Association is made through the annual United Appeals campaign.

Council

(Continued From Page 1)

on the vacation and paid holidays was unanimous.

Prior to Council's action, a letter from Mayor Robinson explaining his vetoes of the two ordinances was read to Council by Mrs. Mayme Gorton, clerk of Council.

In his letter, the mayor said the two ordinances were discriminatory because they did not provide employes in other departments with the same "privileges" granted police and firemen.

"I strongly recommend . . . that these two pieces of legislation be void and that your body meet with the administration and other interested parties and make a thorough study of this matter that will be equitable to all employes . . .," Mayor Robinson wrote.

There was no comment on the letter but Councilman - at - large Haldeman noted that the uniform allowance contained no date on which it is to become effective. He suggested inserting April 1 as the effective date and asked City Solicitor George Piacentino if this would be possible.

Need New Legislation

Piacentino said it would not. He explained that Council had already voted to adopt the ordinance at its last meeting, Jan. 24, and that it would not change it last night. This was because Council was merely voting on whether or not to override the mayor's vetoes, not on the content of the ordinances, he explained.

To correct the oversight in leaving out the effective date, he suggested that Council order in additional legislation establishing the effective date. Council later decided to order in this legislation for its next meeting. This additional legislation is also to establish the mechanics of administering the uniform allowance.

In the discussion on the requested pay raise for Service and Sanitation Department employes, Haldeman said a meeting was held last Monday but no decision was reached.

There was a general feeling among councilmen attending the meeting that these employes deserved some raise but how much was not decided, he said. Haldeman is a member of the Finance Ways and Means Committee which is studying the request. The committee intends to continue its study.

Says Agreement Reached

Harold Smith, chairman of the Municipal Services Committee, which is studying the request jointly with the Finance Committee, said that it was tentatively agreed that Service and Sanitation Department employes should receive six paid holidays a year and three weeks' vacation after 15 years' service, just as the police and firemen.

Finance Committee Chairman Don Quaintance said it was his understanding at the meeting last Monday night that a decision was reached as to what Council's action would be on the request.

He said apparently other committee members had different opinions but he thought it was decided that city Sanitation and Service Department employes were paid wages equivalent to the pay of county and state employes in similar job classifications.

List of Pay Scales

Harold Fralich then read a list of the pay scale for laborers and drivers for the three government divisions.

Laborers are paid $1.40 an hour by the county, $1.15 an hour by the state and $1.31 an hour by the city, he said.

Drivers are paid $1.50 to $1.55 an hour by the county, $1.27 to $1.33 an hour by the state and $1.31, $1.36, $1.46 and $1.67 an hour by the city, he said. The bulk of the city drivers are in the $1.31 to $1.36 an hour classifications, he said.

Fralich also said that a bill is pending in the Ohio Legislature to establish a 56-hour work week for firemen may determine whether the city will have funds for any pay raises. If this bill passes, it will raise the operational cost of the Marion Fire Department some $36,000 a year, he estimated.

Haldeman said he felt the scope of this proposal was so great that it actually should have no bearing on the pay request of the Service and Sanitation Department employes.

Council President William Slack said apparently nothing could be settled and that the discussion should be discontinued until the next Council meeting.

Public Invited

Cerebral Palsy Experts To Talk at Meeting Here

A public meetng presenting information on cerebral palsy and its national and state organizations has been scheduled by the United Cerebral Palsy Association of Marion County and Vicinity for 7:30 p.m. Friday at the YMCA.

Presenting this information will be John F. McNulty, of New York City, affiliations director of the national organization, and Mrs. Norman T. Auburn of Akron, secretary of the national organization and president of the state organization.

—:—

DR. FRANK C. VOGT is president of the local cerebral palsy group which was formed last December. Ultimately, the local group hopes to establish a treatment center for the estimated 75 to 150 cerebral palsied persons in the area.

McNulty heads a staff of 20 field representatives who are spread throughout the United States to assist local organizations and act as liaison between them and the national headquarters.

Since McNulty joined United Cerebral Palsy in 1953, the number of affiliates has jumped from 165 to 325 now. He came to the national organization with experience in management organization and sales. A graduate of St. John's College in Brooklyn, he is a special lecturer in salesmanship at the City College of New York.

Mrs. Auburn has been president of the Ohio organization since its inception in 1951. In that time, the number of affiliates has grown from one to 18, covering the entire state.

—:—

A NATIVE OF Xenia, she has her B.A. and M.A. degrees from the University of Cincinnati. Her husband is president of the University of Akron, and former vice president of the University of Cincinnati. Dr. Auburn is past president of the Rotary Club of Cincinnati and a trustee of the McCormick Theological Seminary.

In addition to Dr. Vogt, other officers of the local group are Carter M. Patton, first vice president; Daniel LaMarche, second vice president; Marion Hinklin, treasurer; and Miss Betty June Taylor, secretary.

JOHN F. McNULTY
National Cerebral Palsy Official

Serving on the executive committee are these officers and Dr. Martin Weinbaum, Dr. Bret Hurd, Miss Irene Tinklepaugh, and James Rairdon.

—:—

OTHER COMMITTEES and members are:

Public relations: Howard Swink, chairman, John A. Maxwell Jr. and Robert T. Mason.

Speakers bureau: Dr. Vogt.

Campaign and finance: Rairdon, chairman, Hinklin, LaMarche, Russell Snare, and John Courtright.

Educational and program facilities: Robert S. Brown, chairman, Miss Tinklepaugh, D. T. Mills, Mrs. Catherine Kelly, Dr. Weinbaum, Mrs. Bertha Snyder, Mrs Lois Ansley, and Miss Kathleen Thomas.

Medical advisory Dr. Frederick W. Rea, chairman, with members to be drawn from the Academy of Medicine of Marion County.

Legislative: Judge Edward J. Ruzzo and Patton.

Parent activities: Gene White, chairman, with members to consist of interested parents in the community.

Membership and nominating: G. E. Herr, Mrs. Doris C. Maxwell, Judge Ruzzo, and Miss Esther Mautz.

Chiang

(Continued From Page 1)

for the time being mainly to defensive actions.

Red China's top Communists, in broadcast talks yesterday hailing the fifth anniversary of their treaty with Russia, gave no clear hint of their next move.

Mao Tze-tung, No. 1 Chinese Communist, and Premier Chou En-lai railed at what they termed U.S. aggressive moves and asserted that if "imperialists" wage war, "we, together with the peoples of the whole world, will certainly wipe them out clean from the surface of the globe."

(Moscow tributes to the treaty anniversary steered clear of the Formosa issue. Soviet Premier Nikolai Bulganin and Foreign Minister V. M. Molotov toasted Chinese-Soviet friendship at a party but made no specific pledges)

The remaining Nationalist outpost islands, scattered along 270 miles of Red China's coast, loom as the next trouble spots.

Apart from Nanchishan and Quemoy, the most important other position the Nationalists hold is Matsu, which dominates the approaches to Foochow, capital of Fukien province.

Invasion attempts by the Reds against either Quemoy or Matsu, or both, might involve the United States in defensive action to safeguard Formosa and the nearby Pescadores.

The United States is committed under the mutual defense pact with Nationalist China signed at Washington Dec. 2 to protect Formosa and the Pescadores.

And, by a congressional resolution, President Eisenhower is authorized to employ U.S. forces to secure and protect "related positions and territories" held necessary for the defense of Formosa and the Pescadores.

Lodge

(Continued From Page 1)

complishments of the Eisenhower administration, Lodge deviated briefly to predict that the President would be drafted for another term in office. He also said he is firmly convinced the 11 American fliers held prisoner by Red China will be returned.

Among the major accomplishments by the administration, Lodge said, have been the defeat of communism in Guatemala; the London and Paris agreements, "which will give back sovereignty to West Germany"; settlement of the Trieste dispute between Italy and Yugoslavia, the defense pact between Pakistan and Turkey; maintenance of peace between the Arab states and Palestine; the end of the Korean War; settlement of the Indochina conflict; the Manila Pact, and President Eisenhower's program for pooling the fissionable materials of the world.

"It all adds up to this," he said, "that for the first time since World War II, there is no large scale fighting going on anywhere in the world. Of course, the situation is precarious and peace is not established on a durable basis. But for the first time we and other nations, instead of rushing from one emergency to another, have begun to settle down confidently to the long haul to defend and strengthen peace and freedom."

Pineau

(Continued From Page 1)

The party has not participated in any government since 1951 because of its adamant stand for a program it could support fully. The right and center factions in the Assembly were believed unlikely to go along with a Socialist candidate.

Pineau, who failed in a previous try in 1952 to form a government, took over the task yesterday morning after Antoine Pinay and Pierre Pflimlin gave up.

Milder Trend To Stay; High Of 40 Expected

A warming trend continued over much of the country today after last week's cold weather.

Ohio's forecast is for fair tonight with the low expected to be between 20 and 30. For Wednesday, some cloudiness with little change in temperature is the prediction. Today's high was expected to reach into the 40's.

Total precipitation in Marion yesterday was .04 of an inch, which was equal to one and a half inches of snow. High temperature reading was 34 and the overnight low was 25. At noon today, the mercury stood at 31.

The biggest temperature rises were reported along the East Coast, according to an Associated Press dispatch. Southerly winds kept early morning readings in the 20's and 30's, 15 to 30 degrees higher than yesterday.

The largest advance in temperature was at Burlington, Vt., where it was 22 above this morning compared to 10 degrees below yesterday. There also was warming over the cold center in the uper Mississippi Valley although it was still under 10 above in many places. Coldest was Houghton, Mich., with zero.

Light snow fell early today from eastern Ohio northeastward into New England. Some freezing rain fell in Ohio and western Pennsylvania. Falls measured from 1 to 2 inches, with a three-inch fall at Albany, N. Y.

Trial

(Continued From Page 1)

duce Taylor for scheduled start of the trials yesterday.

Arch Ferrell, himself a prosecutor at crime-ridden Phenix City for eight years until Patterson's death smashed the vice empire that flourished there, and Albert Fuller, who was chief deputy, are charged with murdering the man who had promised to break the vice grip on Phenix City.

Maximum penalty is death in the electric chair.

A 36-man venire will be drawn by Judge McElroy and 12 jurors will be chosen from that list. A panel of 133 prospective jurors was sworn in yesterday.

Former Alabama Atty. Gen. Si Garrett, who campaigned extensively in a futile effort to keep Patterson from succeeding him in office, also is under murder indictment. He is being treated for a mental disorder in a Galveston, Tex., hospital and his trial has not yet been set.

Riverlake

(Continued From Page 1)

Ohio indicate they will attempt to derail Stewart's latest effort. Earl (Pop) Shively of Columbus, railroad attorney and veteran lobbyist, again directs the attack on the belt proposals.

Railroads have formed a special transportation committee to pool efforts.

House sponsors of the belt bill are Reps. Clarence Wetzel (R-Columbiana), Bishop Kilpatrick (D-Trumbull) and Robert L. Johnson (R-Medina).

Deaths and Funerals

Mrs. Noah H. Miller

Mrs. Mary Ellen Miller, 80, of 208 Leader St. died at 4:30 p.m. yesterday at the home of a niece, Mrs. Robert W. Leaper, at 802 Woodrow Ave. She was in failing health six months.

Born Jan. 18, 1875, in Waldo, she was the daughter of Daniel H. and Eliza Steen Kenyon. Jan. 10, 1900, in Marion, she married Noah Henry Miller who died last month, Jan. 25. She was a member of First EUB Church, of Lydia Chapter 83, Eastern Star, of Marion Shrine 15, White Shrine of Jerusalem, of Women of the Moose and of Pride of 35, Lodge 79, Auxiliary of the BRT. During her younger years she was a teacher in the Marion County schools.

Surviving are two brothers, George Kenyon of South Bend, Ind., and Fred Kenyon of Toledo and nieces and nephews.

Funeral services will be conducted Thursday at 2 p.m. in the M. H. Gunder Sons Funeral Home on W. Center St. Rev. John C. Searle Jr. will officiate. Burial will be in Marion Cemetery. Friends may call at the funeral home after 7:30 tonight.

Edward Y. Nitrauer

Edward Yents Nitrauer, 68, of 333 S. Prospect St. died at 7:05 a.m. today at home. He was ill six years.

Born Oct. 15, 1886, in Upper Sandusky, he was a son of David and Ella Palmer Nitrauer, the father a native of Pennsylvania and the mother of Upper Sandusky. Nov. 3, 1920, in Marion, he married Nettie May Wheeler. He came to Marion in 1913.

Employed by the Erie Railroad 37 years, he worked last as shop superintendent at Port Jervis, N. Y.

He was a member of the Erie Trowel Club, of Emanuel Lutheran Church, of Sojourner Lodge 653, F & AM, and he was a third-second degree Mason, being a member of the Scottish Rite Valley of Columbus.

Surviving are his widow; and three brothers and a sister, Harry and Grant Nitrauer and Mrs. Maye Strebey, all of Columbus, and Elmer E. Nitrauer of Fort Lauderdale, Fla.

Funeral services will be conducted Thursday at 2:30 p.m. in the Merle H. Hughes Mortuary on Mt. Vernon Ave. Rev. M. E. Hollensen will officiate. Burial will be in Marion Cemtery. Friends may call at the funeral home after tomorrow noon.

Danny Lewis Vermillion

Danny Lewis Vermillion, infant son of Mr. and Mrs. Stanley Vermillion of 532 N. State St., was pronounced dead last night by a physician called to the home after firemen had operated the inhalator 45 minutes in an unsuccessful attempt to save his life. The call to Central Fire Station came at 10:05 p.m. when the child was stricken suddenly. He had not been ill, with exception of a cold, the family said.

Born July 20, last year, in San Antonio Hospital in Kenton, he was the son of Stanley and Flora Hildreth Vermillion.

Surviving with his parents are grandparents, William Vermillion of the N. State St. address and, Mr. and Mrs. Clarence Hildreth of near Magnetic Springs; and great - grandparents, Mr. and Mrs. Marion Hildreth of Richwood.

Funeral services will be conducted Thursday at 2 p.m. in the Winter - Milligan Funeral Chapel in Richwood. Rev. Edgar A. Leeson of Prospect will officiate. Burial will be in Claiborne Cemetery. Friends may call at the funeral home after 7 tonight.

Mrs. Howard Stump

BUCYRUS — Mrs. Florence Stump, 50, wife of Howard Stump of Whetstone Township, near Bucyrus, died at 9 last night in Galion Community Hospital. She was ill two years.

Born Oct. 28, 1904, in Whetstone Township, she was the daughter of Jeremiah and Iva May Gibson Lowmiller. Her marriage was Oct. 6, 1934. Graduated from Bucyrus High School and Ohio Northern University at Ada, she attended at different times Bowling Green State College and Ohio State University, and she was a school teacher six years previous to her marriage. She was a member of Whetstone Evangelical and Reformed Church and of the Young Women's Guild of the church.

Surviving with her husband are her son, James Howard Stump at home; and two brothers, Earl G. Lowmiller and Rollin A. Lowmiller, both of Whetstone Township.

Funeral services will be conducted Thursday at 1 p.m. in the Wise Funeral Home in Bucyrus. Rev. E. G. Corwin will officiate. Burial will be in Oakwood Cemetery, Bucyrus. Friends may call at the funeral home tomorrow afternoon and evening.

Phil Cohen

GALION — Phil Cohen, 82, Galion merchant, died Monday at 7 p.m. in Galion Community Hospital. He had been ill since Wednesday morning.

Mr. Cohen, one of the owners of the C. & C., men's clothing store, came to Galion 19 years ago from Cleveland. He was born there Feb. 13, 1873. In 1901 he was married to Clara David who died May 9, 1937. He was a member of the Henry Perkins Masonic Lodge at Akron.

Surviving are: two sons, Ellis E. Cohen of San Diego, Calif., and Frank D., Cohen of Galion; and one daughter, Mrs. Rena Ackerman of Wooster and two grandchildren. One sister preceded him in death.

Funeral services will be held Wednesday at noon in the Volk Funeral Home here. Rabbi Seymore Panitz of Mansfield will be in charge and burial will be in Mount Rose Cemetery in Akron. Friends may call at the fneral home anytime.

Miss Mae L. Tisdale

CARDINGTON — Cardington and other Morrow County friends have received notice of the death of Miss Mae Leona Tisdale of Findlay, last Friday. Miss Tisdale was Morrow County health nurse from 1938 to 1950, after which she returned to private nursing.

From 1950 until ill health forced her to abandon her work a year ago, she nursed in Marion City Hospital, Morrow County Hospital, University Hospital in Columbus and had home cases.

Miss Tisdale was a gifted person, having been at one time a trained singer and a painter. She was able to pay for her music and nurse training courses through the sale of her landscape and still life paintings. Since her retirement, she had been working on a group of stories about the Civil War, factual pieces taken from conversations she had overheard in her youth when friends of her invalid father, a Civil War veteran, gathered in his home to reminisce. She had been acquainted with Tell Taylor, writer of "Down by the Old Mill Stream," and his family, and knew the exact place on the Blanchard River which runs through Findlay which inspiretd the song.

She had been in public health work for more than 30 years and had moved from Morrow County to Findlay last spring.

Mrs. Maude Wright

CRESTLINE — Mrs. Maude Wright, 83, a Crestline native and resident of Chicago, Ill., died Monday at the Cook County Hospital, Chicago, after an extended illness.

Born Feb. 2, 1872, in Crestline, she was the daughter of Harvey and Ella Perrine Dunlap.

Her only survivors are: one nephew, Wilfred Bennett of Indianapolis, Ind; and three nieces, Mrs. E. G. Streett of Wintergarden, Fla., Mrs. C. A. Payne and Mrs. Grover Hauck, both of Crestline.

She was employed for many years as a telegrapher for the Texas Oil Co. in Chicago She was a member of the Presbyterian Church there.

The body has been brought to the Robert F. Beck Funeral Home here where funeral services will be conducted at 2 p.m. Wednesday by Rev. Gerald Palmer of the First Presbyterian Church. Burial will be in Greenlawn Cemetery here.

Mrs. Matilda Babcock

UPPER SANDUSKY — Wyandot County relatives will attend the funeral Wednesday in Toledo of Mrs. Matilda Oelberg Babcock, 78, who died in Toledo Sunday. Mrs. Babcock was a former resident of Wyandot County.

Mrs. Walter Marshall of Findlay, Philip Oelberg, Mrs. John Thiel and Mrs. Peter Thiel of Upper Sandusky, are brother and sisters of the deceased.

Mrs. Babcock, the daughter of the late Peter and Rose Mueller Oelberg, was born and lived on a farm near Kirby, Wyandot County.

She is survived by one son and three daughters.

Gordon R. Robinson

GALION — Fneral services for Gordon R. Robinson, 76, father of Paul K. Robinson of Galion, were held in Uhrichsville Saturday afternoon. Burial was in Evergreen Burial Park, New Philadelphia. Mr. Robinson died Feb. 9 at his home in Uhrichsville after a long illness.

A retired Pennsylvania Railroad foreman at Dennison, he is survived by his widow; another son, C. K. Robinson of Denver, Colo.; two daughters, Mrs. Cecil Migoni of New Philadelphia and Mrs. M. W. Eckhaus of Van Nuys, Calif.

-Funeral Services-

Mrs. Addie J. Johnston — Tomorrow 1:30 p.m., Trinity Baptist Church, Rev. J. B. Holloway, burial Marion Cemetery. Friends may call at the Merle H. Hughes Mortuary until 12:30 p.m. tomorrow, then at the church.

Mrs. Letha J. Latimer — Thursday at Berry, Ky., burial Pythian Grove Cemetery there.

George A. Long — Tomorrow 2 p.m., Garverick Funeral Home, Crestline, burial Community Cemetery, Ontario. Friends may call at the funeral home.

Mrs. Iva M. Feidner — Tomorrow 9 a.m., St. Joseph's Catholic Church, Galion, Rev. Kenneth A. Hans, burial St. Mary Cemetery, Marion. Friends may call at the Volk Funeral Home in Galion.

Mrs. Alfred LaPierre Has Heart Attack, Dies

Mrs. Mary E. LaPierre, 57, of 811 E. Center St., died yesterday at 11:50 a.m. in her home of a heart attack. Death was unexpected, but she had been in poor health for about three years.

Born May 16, 1898, in Cambridge, O., her parents were Jesse and Anna R. Nelson Ferbrache of Cambridge. Her father survives at the E. Center St. address.

She was married July 2, 1921, in Marion to Alfred M. LaPierre, who survives. Her husband is manager of the Kroger Store here, and she had been associated with the Kroger firm for a number of years, reuring about 13 years ago. She came to Marion 39 years ago from Cambridge.

She was a member of the First Presbyterian Church, Circle Five of the church, Lydia Chapter No. 83, OES, White Shrine No. 15, Circle of Light of the King's Daughters. Three Arts Literary Club and the House and Garden Club.

Surviving in addition to her husband and her father are: one daughter, Mrs. Maryanna Wiant of Detroit, Mich; two grandchildren; and one brother, Ira Ferbrache of Westerville, O.

The funeral service will be held Thursday at 1:30 p.m. in the Boyd Funeral Home with Rev. Irvin W. Emmons of the Presbyterian Church officiating. Interment will be in Marion Cemetery. Friends may call after noon Wednesday at the funeral home.

LARGEST VALENTINE

MADISON, Wis. (AP) — Barbara Feidelson, University of Wisconsin coed from Rockville Center, N.Y., got one of the largest valentines in the nation. Her boy friend Earl School, of Milwaukee, tramped out letters 10 feet high on Lake Mendota reading, "Barbara, I love you."

Morrow Soldier's Body Returned for Burial on Thursday

MOUNT GILEAD — The body of a Morrow County serviceman, Cpl. Charles M. Counts, whose death occurred in Korea, will arrive by train in Galion Wednesday afternoon.

It will be taken to the home of his parents, Mr. and Mrs. Dorse Counts, southwest of Marengo, where funeral services will be conducted at 1 p.m. Thursday. Burial will be made in Marlboro Cemetery near Delaware. Military rites at the graveside will be in charge of the American Legion. The Jacobs funeral home of Marengo is in charge.

Cpl. Counts' death occurred Nov. 13, 1950, in Korea. He had been in service about three years.

Born June 20, 1930, in Greenboro County, W. Va., he was a son of Dorse Counts and Evelen Job Counts. Surviving besides his parents are a brother, Dorse Jr., and a sister, Mrs. Alka Lester, both of near Marengo. Another brother was reported missing in action the same month Cpl. Counts died.

NO LOAFING

FLAT ROCK, N. C. (UP) — Carl Sandburg, now 77, scoffs at talk of his retirement. The celebrated poet, author and biographer says he has plans for more years of work and travel. For relaxation he herds goats at his picturesque mountain farm here.

Mattress Catches Fire, Loss Is $200

A loss of approximately $200 was placed on bedding and a mattress which caught fire Monday evening at the Robert Luke home at 406 Forest St. Firemen also made an inhalator call early this morning.

A gas wall heater set fire to a nearby bed at the Luke home. Firemen from the Central station answered the call at 7:08 p.m.

The inhalator was requested at 6:45 a.m. today at the home of Al Lindsay, 355 Chestnut St., where his mother-in-law, Mrs. Charles Hogan, had suffered a heart attack, Chief O. A. Sifritt said. The inhalator was used 20 minutes successfully and Mrs. Hogan was taken to Marion General Hospital. Her condition is reported to be "improved."

If a door key sticks in a lock, it can often be made to operate smoothly by rubbing it with a soft lead pencil.

SCOTTY is here...!

a-wanting to meet you . . . and gr-r-eet you!

For a fascinating bit of auld Scotland, come meet Scotty MacLeod . . . who's here on a visit to show us how they make those bonnie tweeds back in the auld country. Come watch him spin a yarn — Shepherd Homespun yarn, that is — and then weave it into a wonderful tweed fabric right before your eyes. With his kilt and tartan, and with a burr as thick as the wool on sheep, Scotty will be at his antique loom for 3 more days only, Wednesday, Thursday and Friday, so plan to come see him soon.

We've got something else for you to see — the new Firth carpet, HIGHLAND TWEED, made from wool yarns Firth has created to look and feel like the old Shepherd Homespuns and woven with the rich texture of Scottish tweeds. Scotty will show you how Firth makes the Shepherd Homespun yarns, dyes them in authentic Highland colors and weaves them into a fine carpet that will wear like tweed, too.

HIGHLAND TWEED is one of the new Firth "tuftwoven" carpets — made by Firth's own revolutionary process for making luxury carpets at budget prices. "Tuftwoven HIGHLAND TWEED is priced to please any Scotsman and has a new kind of beauty and comfort that's perfect for your home.

Around City Council's Table

Marion City Council adopted 14 pieces of legislation, sent another back to committee, tabled another and discussed other routine business at its regular meeting Monday night in the old city hall.

Radio for Fire Trucks

An ordinance to appropriate $800 to purchase two-way radio equipment for two city fire trucks was adopted unanimously.

In the discussion prior to adoption, Mayor Harold F. Robinson said purchase of the two radio units would be enough to equip all necessary city - owned fire trucks.

One spare unit is already available and will be installed in one of the trucks not now equipped with two-way radio as soon as possible, he said.

The fire chief's car is now equipped with two-way radio and the new truck recently placed in service at the W. Center St. station came with radio installed at the factory. This leaves only the trucks at the Mark St. and Central fire station not equipped. There are two trucks at the Mark St. station and three at the Central station. One of those at the Mark St. station is township-owned and the township trustees have started discussions on equipping it with radio.

Fire Chief Owen A. Sifritt requested the new radio equipment for the fire trucks in his annual report submitted to Council at its last meeting.

Installation of such equipment also was urged by representatives of the National Board of Fire Underwriters at a meeting held with City Council late last December.

Janitors Authorized

An ordinance to create two new positions of janitor and assistant janitor for maintenance of the new City Hall was adopted unanimously.

Mayor Robinson said the positions were needed immediately to provide for cleaning of city offices and to provide someone to fire the low pressure boilers which heat the building.

The ordinance provided that the janitor be paid $3,000 a year and the assistant $1 an hour. Mayor Robinson said the assistant might or might not be needed. There was some discussion on whether the position of assistant was necessary. Councilman-at-large Robert G. Haldeman said he felt this position should not be created until it was definitely known whether two men were needed to take care of the building.

Mayor Robinson said at best the assistant's position would be a part-time job.

Parking Lot Okayed

Action of the City Planning Commission in granting permission for construction of a parking lot at the corner of W. Church and Pearl St. was given Council's approval in a resolution adopted unanimously.

The application for a permit was made by Miss Marie V. G. Ruehrmund. The proposed parking lot will be on the site of her present residence at the southeast corner of Pearl and W. Church Sts.

Fund Transfer Okayed

An ordinance to transfer $7,600 from the garbage fund to the garbage equipment fund was unanimously approved.

Mayor Robinson explained that the money is to be used for the purchase of a new automatic packer type refuse collection truck. Council previously approved this purchase.

The truck will be similar to those now used in residential sections of the city. It will replace an older model truck.

Lift Station Site

An ordinance authorizing the city solictor to acquire a lot on Jefferson St. instead of a corner lot at Jefferson and E. Fairground Sts. for the site for a lift station for the Jefferson St. sewer was adopted unanimously.

City Solicitor George Piacentino said the new site for the lift station met with the approval of the consulting engineers for the sewer project, Floyd Browne and Associates. The lot is the third south of E. Fairground St. and may be purchased for some $80 less than the corner lot previously considered, Piacentino said.

Some months ago, Council authorized the solicitor to start condemnation proceedings to acquire the property at the corner, formerly owned by County Engineer Reed Ours' mother. Council took this action at that time on advice of the consulting engineer that the corner property was the most suitable location for the lift station. At the meeting last night, Piacentino said that Floyd Browne and Associates told him either site was acceptable. The ordinance as adopted by Council states the purchase price of the new lot is not to exceed $300.

Alley, Street Vacated

Ordinances to vacate portions of a street and an alley were both adopted unanimously.

The street vacated is some 150 feet of Otis Ave. extending east from Cheney Ave. to the first alley intersecting it. All abutting property owners signed a petition asking that the undeveloped street by vacated, the ordinance stated.

The alley vacated was part of a 10-foot wide alley extending south from Miami St. to the Pennsylvania Railroad.

Sidewalk Authorized

A resolution authorizing the city engineer to prepare plans and specifications for construction of a concrete sidewalk on the east side of Catherine Ave. was approved unanimously. Abutting property owners petitioned for the sidewalk which is to extend from Joseph St. to Klerx St.

Ordinance Repealed

A resolution repealing a resolution adopted Jan. 10 was adopted unanimously. The original legislation was for the improvement of Brentwood Dr. with construction of a pavement and concrete curbs and gutters. Solicitor Piacentino said he understood the repeal of the original legislation was requested by the petitioners for the improvement. He said he understood they objected to rising costs which would have made the price of the improvement greater than they anticipated.

Play School Okayed

Action of the City Planning Commission in granting permission to Mary D. Cline to operate a play school on her property at 269 Johnson St. was approved by Council in a resolution adopted unanimously. Mayor Robinson said there had been no objections from abutting property owners for the proposed use of the property.

Resolution Studied

Sent back to committee were two resolutions concerning installation of flasher signals and sodium vapor lights at certain grade crossings in the city.

Mayor Harold F. Robinson said that he had learned that the Ohio Edison Co. was not equipped to install the sodium vapor lights at the railroad crossings. He also learned that the railroads would install their own sodium vapor lights at the crossings on condition the city provided improved general lighting on the approaches to the crossings.

The Ohio Edison Co. drew up tentative plans for this improved lighting which would cost the city only about $180 a year additional on its street lighting bill, the mayor said.

Council decided to send the resolutions back to committee for further study.

Appointment Confirmed

A resolution confirming the reappointment of Mrs. Ione Lane to the Marion City Health Board was adopted unanimously. Mayor Robinson reappointed her to the position after her previous appointment terminated.

Pay Claim Approved

An ordinance authorizing the city solicitor to settle and pay a claim to the General Telephone Co. for $38 was adopted by a 5-3 vote. Payment of the claim was recommended by Safety-Service Director John Davis.

He said a city garbage truck had struck a telephone pole in the vicinity of 302 Willow St. and broken a cable.

Voting against the payment of the claim were: Herman Rinehart, Third Ward; James Jenkins, Second Ward; and Ralph Williams, Fourth Ward. They offered no explanation for their votes.

Ordinance Tabled

Tabled was an ordinance to amend a section of another ordinance pertaining to the salary of the superintendent of the sewage treatment plant. Council indicated it had not yet completed its study as to whether or not a pay raise should be granted for this position.

Other Action

In other action, Council:

Heard a request from Davis that Council as a whole set aside one Saturday each month to make inspection tours of city facilities such as the airport, sewage treatment plant, city barns and so on. First Ward Councilman Harold Smith said he felt this was a duty of the various committees of Council. Councilmen expressed approval of the idea but took no action on it.

Absent from last night's meeting was Councilman-at-large Warren Dihel.

Invocation for the meeting was by Rev. W. C. Eyster, pastor of Epworth Methodist Church.

VERSATILE GENIUS. Frank Lloyd Wright, the famous architect, relaxes at the piano before a testimonial dinner when he was given $10,000 to help pay taxes on his studio-home at Spring Green, Wis. Wright plans to stay in Wisconsin, not move away as he threatened last fall when tax case came up.

West Point Club Plans Varied Program Tonight

MOUNT GILEAD — A variety program, patterned after a television show, will be given tonight by the West Point Community Club. The program will get under way at 8 p.m. and there will be no admission charge.

The 60-minute program will feature four parts: a forum on Morrow County's new Farm Bureau fertilizer plant with Robert Garn, director of the Farm Bureau Fertilizer Manufacturing, Robert Wehr, Morrow County Fam Bureau manager, and Robert Day, field engineer in charge of the construction of the new fertiliezr plant, two miles west of West Point, taking part; a program by Galion High School students; three acts from the Iberia PTA Talent Show; and community club talent.

Refreshments will be served by the committee.

MISS BIBBEE TO SING

Miss Jeanne Bibbee, vocal soloist, of the Lecture-Recital Club, will present the club's weekly radio broadcast tonight at 8 over Station WMRN. Her numbers will include "Come Unto Me," Scarlatti; "Beside Still Waters," Hamblen; "At Dawning," Cadman; and "Sonatina," Dougherty. The quarter-hour programs are arranged for presentation each Tuesday night by Mrs. Lewis Wills, Lecture-Recital Club radio chairman.

BRICKER NAMED

WASHINGTON (AP)—Sen. Bricker (R-Ohio) was named yesterday to four subcommittees of the Senate Banking Committee: International finance, federal reserve, securities and production and stabilization.

Portsmouth, Vienna in Top Berths

By FRITZ HOWELL

COLUMBUS, Ohio (AP)—Ohio's 748 Class B high school basketball teams tossed their season records into the discard today and started down the tournament trail which ends March 26 in Cincinnati when one of them will be crowned champion

The Class A clubs—304 of them—have a couple of weeks of tuneup play left before starting the "lose and out" chase for the title.

Some of the county tournaments are under way in the Class B ranks, but the majority start this week and must be ended by Feb. 26 when only about a fourth of the starting field will still be in action.

Fifth sports editors, in today's weekly Associated Press poll, kept Portsmouth's Trojans in the top spot in Class A, and Vienna the leader in Class B

Defeats of the elite last week caused quite a bit of shuffling in the lower half of the big ten in each division. Salem, beaten by Canton South, and Lima Central, a victim of state champion Hamilton, skidded out of the Class A select group as Middletown and Toledo Libbey moved in.

Springfield's Wildcats, jolted by Middletown, dropped from sixth to tenth place. The jump of the Middies marked the first time this year either of the Butler County powerhouses — Hamilton or Middletown—has moved into the highly rated corps.

In Class B, North Lima lost to Lowellville and dropped out of tenth place. Newark St. Francis, which spoiled third-place Columbus St. Marys perfect record two weeks ago, and then trounced New Lexington St. Aloysius' defending state champs last week, leaped into ninth place. Fairfield Twp. of Columbiana County, although victorious over its alumni and Goshen-Union last week, slipped from ninth to tenth to make way for Newark.

Portsmouth stayed at the peak with wins over Ironton and Lima South, while Columbus East clung to second with a resounding 79-40 win over Columbus South, last year's state runner-up, and a 57-50 conquest of Columbus West

Strasburg and Bowersville of the Class B leaders were beaten but the losses failed to disturb their standings. Strasburg was a 57-68 victim of unbeaten Class A Sandy Valley, while Bowersville lost 61-47 to Xenia Woodrow Wilson for the first blot on its record

---

COLUMBUS, Ohio (AP) — Here's how 50 sports editors rate Ohio's high school basketball teams this week. Shown are the poll points on a 10-9-8-etc voting basis, and the won-lost records of the top 10:

CLASS A

Teams	pts.	Won	Lost
Portsmouth	335	15	1
Columbus East	316	16	1
Canton McKinley	227	13	1
Gallipolis	175	16	1

Indians Invite 40 For Rookie School

CLEVELAND (AP)—The Cleveland Indians, seeking to push the development of their farmhands, have invited 40 minor league players to the Tribe's Daytona Beach, Fla , training base for two weeks of schooling. Classes begin March 8, two weeks before all farmhands must report for training.

The players are in these minor league teams: Reading, Pa , in the Class A Eastern League, Keokuk, Iowa, in the Class B Three I League, Spartanburg, S C., in the Class B Tri-State League; Sherbrooke, Que., in the Class C Provincial League; and Fargo, N. D., in the Class C Northern League.

Marion County's Teen League Officers Named

Officers for the coming baseball season were elected Sunday at a meeting of the Marion County Teen League. The meeting was held at the Veterans' Memorial Inc. on Delaware Avenue.

Charles Morbitt was re-elected president of the league. Vern Hensel of Morral will serve as vice president and Bud Young of Green Camp was selected as secreatary and treasurer

Tentative plans were discussed for the coming season and the possibility of consolidating the two Teen Leagues into a single loop was considered. Under that plan, the single league would play a split season.

Another meeting was scheduled for March 3 at 7 30 p m. at the same place.

Boilermakers Bow

Boilermakers Union dropped a 76-67 decision to Arlie Glenn Inn of Mt Zion on the Marion Armory court Sunday.

The losers fell behind 42-24 at halftume and couldn't close the gap in the second half.

D. Shroll with 29 and R Sand with 28 paced the winners' offensive while G. Peterman added 12. For the Boilermakers squad, Dick Brooks pumped in 29 points and Wayne Gray contributed 23.

ARLIE GLENN INN 76

G. Peterman 6-0-12; R Sand 13-2-28; D. Shroll 13-3-29; Crissinger 2-1-5; Russell 1-0-2

BOILERMAKERS 67

Brocklesby 2-0-4; Gray 10-3-23, Brooks 12-5-29, Moore 1-1-3, Merchant 4-0-8.

Arlie Glenn Inn	16	42	53	76
Boilermakers	12	24	45	67

Tag, hide-and-seek and blindman's buff are children's games which are known all over the world, says the National Geographic Society.

Dorothy Burkepile Nails Single Crown in Women's Tournament

The doubles and singles event leaders in the women's city handicap bowling tournament held onto their top spots following the close of the tourney the past weekend at Palace Recreation while top spots in other events were taken over by new faces.

Connie Gibson and Eve Bailey, who fired an 1194 the opening weekend, captured the doubles title while Dorothy Burkepile's 612 rolled a week ago won her the singles event.

B & H Poultry fired 2736 to overtake last week's team event leader, May's Jewelry, and walked off with first spot. Members of the team are Jane Richards, Audrey Lloyd, Louise Felter, Margie Krausz and Cora McCleary.

The actual pins competition showed five new winners following action Saturday and Sunday. Elizabeth Hamburg had the tournament's high single game, 218, while Lillie Dalton posted the top series, 528, and led the all-events with 1526. B & H Poultry hit 806-2217 to top the team scores

Trailing Gibson and Bailey in the doubles competition were Audrey Lloyd and Louise Felter with 1169, Edith Lenavitt and Ruth Browarsky with 1163; Mickey Carpenter and Edith Loyer with 1155; Iona Hickson and Virginia Eby with 1138; Marge Krausz and Cora McCleary, 1138; Rebecca Hartley and Wilma Chapman, 1138; Lillie Dalton and Pearl Snyder, 1118; Jo Ann Shirk and Jane Richards, 1116, and Elva Seligman and Elizabeth Hamburg, 1116.

In singles action, Lillie Dalton placed second with 603. She was followed by Helen Angus with 599; Janie Richards with 598; Judy Kayatin with 597. JoAnn Groll with 587, Marge Bigley with 585; Marie Hamilton with 580; Ellen Ault with 578, and Mildred Thome with 577.

Triple Service was runner-up to B & H Poultry in the team event with 2726. Then in order came May's Jewelry, 2699, Osborne Rest Home (Thursday) 2693 Jimmie's Sales & Service 2681; Baldauf Construction, 2668; Red Apple Grill, 2668; Stumbo Construction, 2665; Osborne Rest Home (Monday), 2655; and Whitey's Tavern, 2646.

Lillie Dalton, the all-events leader, will receive a trophy. Pins will be awarded to winners in team, doubles and singles events.

N.Y. Stock Quotations

NEW YORK (AP) — The stock market turned modestly higher in the early afternoon today after a faltering beginning.

There weren't any outstanding divisions. Most attention was held by individual stocks that got the benefit of selective buying.

Gains ran to around 3 points at the outside while losses amounted to a point in some instances.

Not much trading enthusiasm was generated by the better prices. Volume was at a rate even under yesterday's 2,950,000 shares.

The American Stock Exchange was mostly higher on light volume. Going up were American Maracaibo, American Traction, Associated Laundries, McDonnell Aircraft, Merrill Petroleum, Ogden Corp., Pacific Petroleums Ltd , Sterling Precision Instrument, and Waltham Watch. Lower were Banff Oil, Israel-Mediterranean Petroleum, and Sentry Safety Control.

ANNOUNCEMENTS

1-B—IN MEMORIAMS

IN LOVING MEMORY of mother, Mrs William H Osterholt Sr , who passed away one year ago today, Feb. 15, 1954
Though your smile is gone forever,
And your hand we cannot touch,
We shall never lose sweet memories
Of the one we loved so much.
Sadly missed by son M/Sgt. Wm H Osterholt wife Margaret and Grandson, Michael

IN LOVING MEMORY of Imogene Hickman, who passed away Feb. 15, 1954
So sad and sudden was the call
Of one so dearly loved by all
It was a bitter grief, a shock severe
To part with one we loved so dear
They laid her away in the cemetery
Down deep in the cold, cold ground
And all that remains to our vision
Is of earth, a long narrow mound.
Sadly missed by,
Father, Mother,
Brothers, Sisters
Nieces and Nephews.

FARM MACHINES
Are
Precision Built

Each manufacturer has put, what he believes to be, the finest of materials and workmanship into his products.

Each machine, consequently presents a different problem as to service and parts. The manufacturer, to cope with this situation, has appointed local dealers to represent them as "FACTORY AUTHORIZED DEALERS." These dealers are all well-equipped with parts and service departments.

For YOUR assurance of Dependability . . . place your faith with the following members of The Marion County Implement Dealers Association . . . who are all FACTORY AUTHORIZED DEALERS.

Defense To Call Six Witnesses For Southward

WASHINGTON COURT HOUSE, Ohio (AP)—Defense Atty. Paul H. Herbert today plans to call six witnesses in the trial of Jack Southward, 24, charged with first-degree murder in the death of his wife.

Herbert yesterday put Southward on the stand to demonstrate his actions when a shotgun discharged, fatally wounding his wife Ruth, 23.

Mrs. Southward died last Sept. 10, two days after the shooting.

Southward, in the demonstration, held the gun with his left hand on the stock, about a foot from the trigger, and his right hand under the barrel, with the breach of the gun broken slightly.

Southward, who contends the shooting was accidental, testified he heard one of his children stirring in the next room as he talked with his wife. He said he turned, pointing the gun at his wife, and it discharged, to his "surprise."

Southward also denied he told a relative he deliberately shot his wife. He testified he told his brother-in-law, Arthur Rieber, he "couldn't remember" what happened.

ASKS FREIGHT TERMINALS

CINCINNATI (AP) — River freight will skip towns without adequate terminals for transfering cargo to railroads and trucks, said W. Armin Willig of Louisville. The vice president of the Port of Louisville Terminal Co. suggested yesterday that the larger river cities build adequate public river-rail-truck terminals.

MECHANICAL NURSE. This working model of an alarm system to prevent babies from being suffocated was demonstrated in Jacksonville, Fla. The baby breathes on a small plastic that is attached to a pickup on the forehead which connects with the electronic device, any variation in the infant's normal breathing activates a buzzer-light alarm attached to the crib.

Marionite Files Action Against Store in Galion

BUCYRUS — Judgment of $315 and costs is asked in an action filed in Crawford County Common Pleas Court here by Carson J. Cook, Marion against Joseph A. Flannery, doing business as Flannery's Business Equipment Store in Galion.

Cook charges that the defendant gave him a signed credit memo for $259 and that he gave Flannery an order for $214 worth of merchandise, including a food warmer, valued at $56. He claims he paid for the food warmer, but never received it.

The American Music Conference estimates that four million Americans play the guitar.

Noted Persons Taken by Death

By The Associated Press

LA JOLLA, Calif—Ronald G. Callvert, 81, who won the 1938 Pulitzer Prize for distinguished editorial writing in 1938 when he was associate editor of the Portland Oregonian, and a member of the Oregonian staff for 40 years. Born in Adel, Iowa. Died yesterday.

SALAMANCA, Spain—Filiberto Villalobos, 76, minister of education during the Spanish republic. Died Sunday.

CLEVELAND—John F. Wallace, 62, who designed the first oil and air shock absorber strut for an airplane landing gear, and retired vice president of Cleveland Pneumatic Tool Co. Died yesterday.

MIDLAND, Tex — E. Russell Lloyd, 72, a pioneer geologist in the petroleum field who had served as a staff or consulting geologist for most of the nation's major oil companies. Died yesterday.

MONTREAL—Tancrede Marcil, 74, a member of the Quebec Censors Board and former editor of two French - language dailies. Born in St. Eustache, Quebec. Died Sunday.

BLAIRSTOWN, N. J.—Vincent S. Fuller, 92, former publisher of the weekly Blairstown Press and the Otego (N.Y.) Royal Times. Born in Susquehanna, Pa. Died Sunday.

LOS ANGELES — James H. Doyle, 82, who directed theatrical stock companies in Providence, R. I., Boston, Richmond, Va., Cleveland, Dayton and Portland, Maine, over a period of 50 years. Died Saturday.

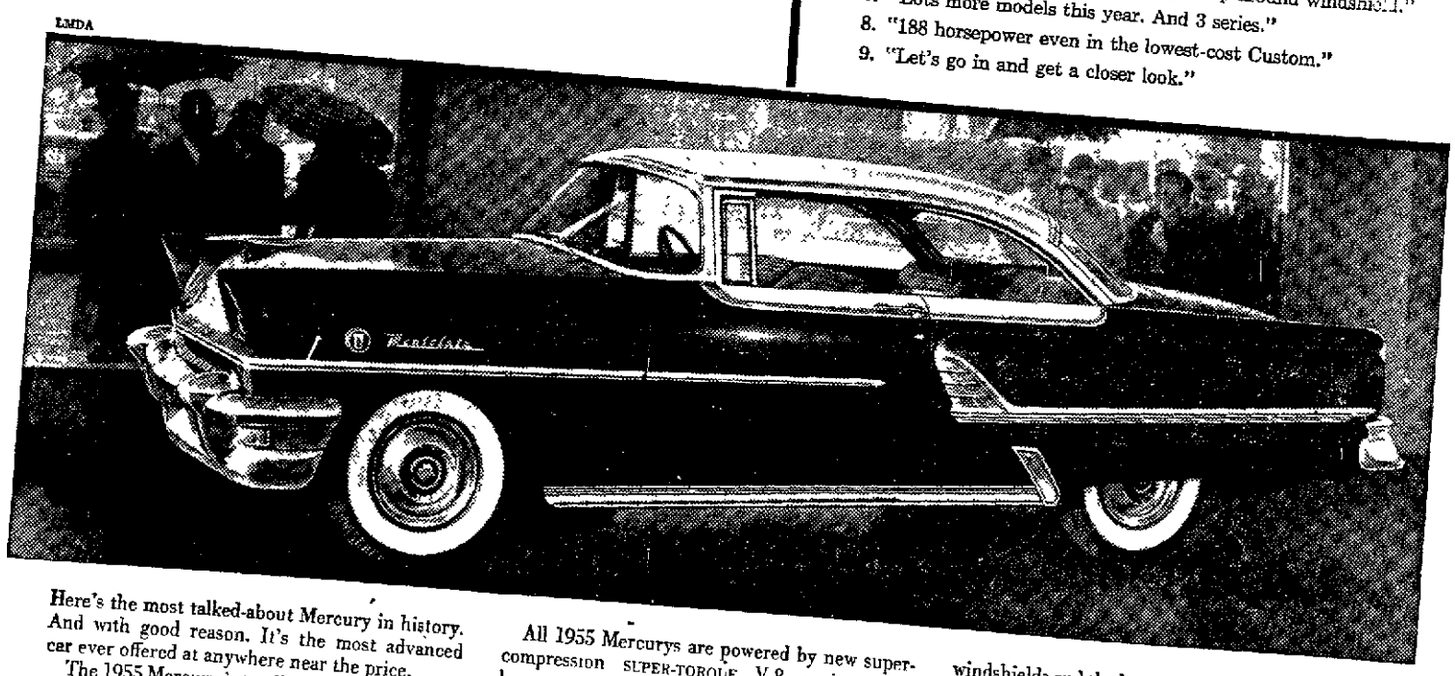
MARION Lincoln MERCURY Company Inc.
469 W. CENTER ST. PHONE 2-2088
"People Like to Deal with People They Like"

Listen! They're talking about the new 1955 Mercury—

1. "Sure is big this year. And what a beautiful color."
2. "That new Montclair is certainly low and racy looking."
3. "I hear it's only 58½ inches high."
4. "198 horsepower! And dual exhausts!"
5. "Look at those hooded head lamps."
6. "I've never seen a better-looking wrap-around windshield."
7. "Lots more models this year. And 3 series."
8. "188 horsepower even in the lowest-cost Custom."
9. "Let's go in and get a closer look."

LMDA



Here's the most talked-about Mercury in history. And with good reason. It's the most advanced car ever offered at anywhere near the price.

The 1955 Mercury is totally new in styling, size, and power. Longer, lower, bigger. Roomier inside. And with up to 198 horsepower under the hood.

You have your choice of 10 models in 3 series including the entirely new Mercury Montclair.

All 1955 Mercurys are powered by new super-compression SUPER-TORQUE V-8 engines—198 horsepower in the Montclair; 188 horsepower in the Monterey and Custom. And both the Montclair and Monterey have dual-exhaust systems—the only cars in their price class that offer this super power and economy feature at no extra cost. All models have new Full-Scope windshields and the latest in ball-joint suspension.

We invite you to stop in and see the 1955 Mercurys firsthand. And be sure to go for a road test. We want you to feel Mercury's new super pickup at *every* speed—particularly in the normal ranges where you do most of your driving.

It's the biggest performance news in 1955. Just try a new Mercury. You'll be talking too.

IT PAYS TO OWN A MERCURY FOR FUTURE STYLING, SUPER POWER

Don't miss the big television hit, Ed Sullivan's "TOAST OF THE TOWN," Sunday evening, 8:00 to 9:00. Station WBNS, Channel 10.
